## Road Resurfacing on Barrington Avenue and Lumsden Avenue

**Contract: 19ECS-TI-14LR**

**Original Start/End Date: May 13, 2019 / July 5, 2019**

**Revised Start/End Date: Spring 2020**

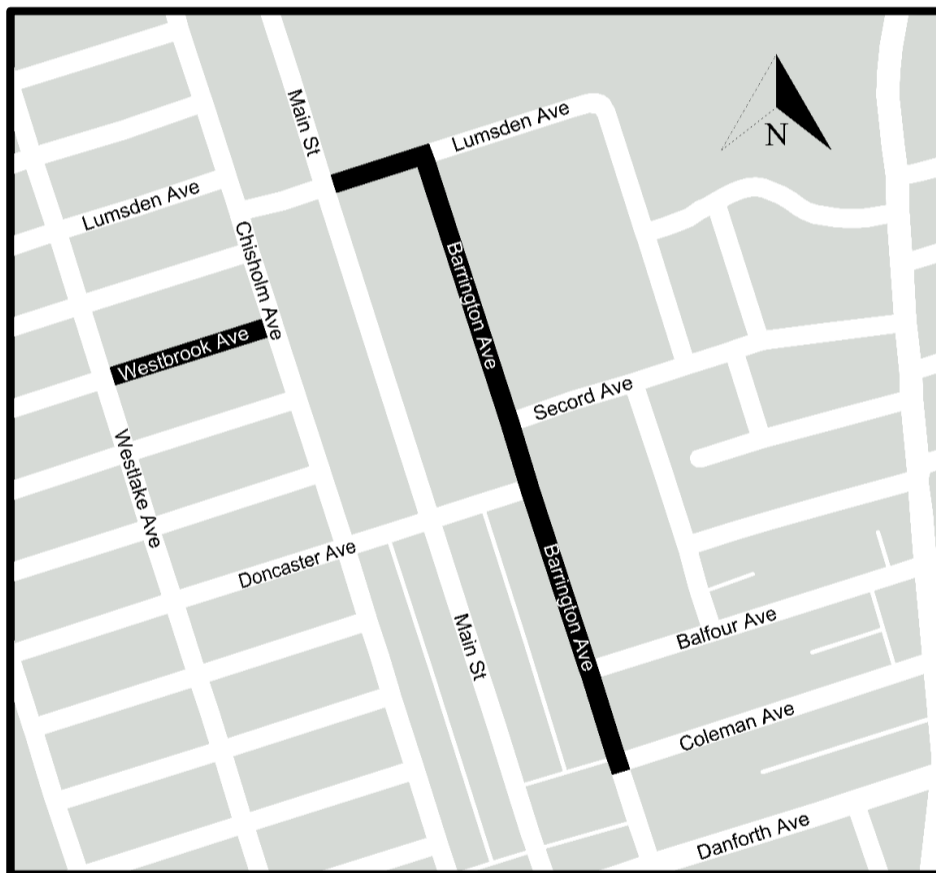

*\*Timeline is subject to change.*

In July, the City started road resurfacing on Barrington Avenue and Lumsden Avenue.

Given the temperatures and weather conditions, the City has worked out a plan with the contractor to complete the remaining work in spring 2020 when conditions are more favourable.

In order to make the site safe for the winter shutdown, the City's contractor will fill any open excavations and restore affected driveways. Construction Update #4 will be provided before the work starts again in 2020.
