## Mayor Tory's SXSW Mission March 9<sup>th</sup> to 11<sup>th</sup>, 2019

### Mission Overview

SXSW 2019 takes place in Austin, Texas from March 8<sup>th</sup> to 17<sup>th</sup>, 2019. Started in 1987 as a music festival, today the event is one of the premier networking events spanning, media, music, film, and digital media. In 2018, more than 430,000 people from 102 countries attended SXSW (commonly referred to as South By), with more than 75,000 attending the industry conferences. The event attracted more than 4,000 accredited media in 2018 and over 75,000 people to the trade show components.

SXSW 2019 spans three distinct, but overlapping themes:

- Interactive (March 8<sup>th</sup> to 12<sup>th</sup>)
- Music (March 11<sup>th</sup> to 17<sup>th</sup>)
- Film (March 8<sup>th</sup> to 16<sup>th</sup>)

The focus of Mayor Tory's mission will be on engaging with industry leaders from the technology and music communities, building trade and connectivity opportunities between Toronto and Austin, and furthering the Austin-Toronto Music Cities Alliance. Economic Development and Culture staff will provide mission support in both planning and on-the-ground in Austin.

### Objectives

The main objectives of the mission for Mayor Tory will be to:

- Engage with technology community decisionmakers, investors and media to promote investment opportunities in Toronto.
- Promote market development and collaboration opportunities between Toronto and Austin companies focused in the interactive and music sectors.

### Mission Participants

The mission will include a delegation of 35 to 50 Toronto technology community leaders. In addition to the technology delegation, there will also be a number of Toronto-based musicians and industry leaders in attendance. Because of SXSW scheduling, it is likely that many tech delegates will leave Austin before music delegates and artists arrive.
