Bona Fide Member Volunteer List

As per Appendix H of the Ontario Lottery and Gaming Corporation (OLG) and Ontario Charitable Gaming Association's (OCGA) *Policies and Standards for Charities*, the definition of "Bona Fide Member" is as follows:

BONA FIDE MEMBER DEFINITION

According to the Policies and Standards for Charities, permitted organization must provide at least two trained bona fide members of the eligible charitable organizations to perform roles and responsibilities in the charitable gaming centre. This is a contractual requirement. Without the participation of bona fide members, participating organizations are ineligible to receive funds from the CGCA and OLG as set out in the Policies and Standards. In such a case, the CGCA shall follow the disciplinary steps outlined in the policies and the permitting authority may suspend permits for future assignments in the gaming centre. A bona fide member for the purposes of participating in assignments for a permitted organization must be an individual who:

- Either meets the membership criteria set out in the constituting documents for the organization or;
- an individual who volunteers in another capacity within the organization other than cGaming
- has been admitted as a member in accordance with the requirements set out in the constituting documents;
- remains a member in good standing in accordance with the constituting documents;
- participates in the activities of the organization; or
- is a parent/relative of an active member or participant under the age of 18 in the organization

A paid employee from the charitable organization may be used for assignments providing this is not their primary role within the charitable organization and that the second bona fide member is a volunteer.
