## Watermain Replacement on Yonge Street from St. Clair Avenue to Woodlawn Avenue

**Contract: 19ECS-TI-102LR**

**Start Date: November 25, 2019**

**Winter Break: December 19, 2019 to February 2, 2020**

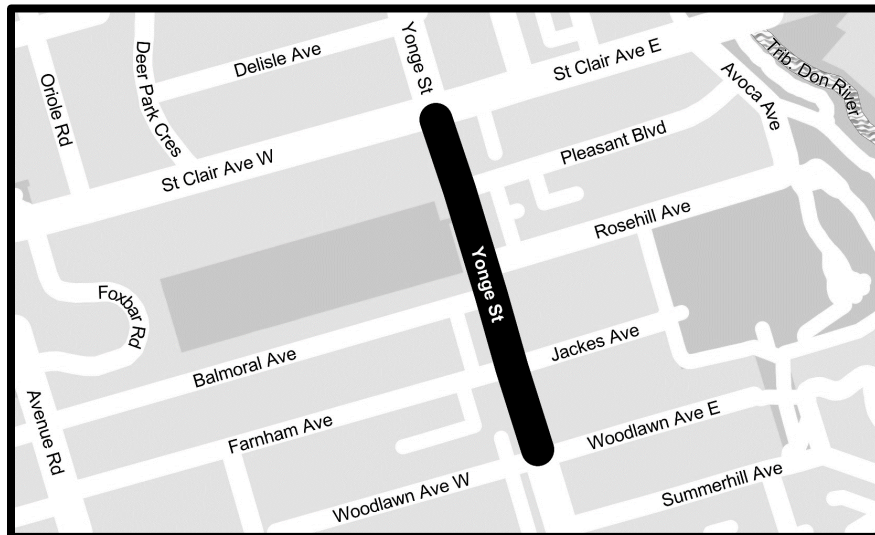

**End Date: August 2020**

*\*Timeline is subject to change.*

In November, the City of Toronto started replacing the watermain and the City-owned portion of substandard water services on Yonge Street from St. Clair Avenue to Woodlawn Avenue. The remaining work will be completed in 2020.

The road will be temporarily restored to a safe condition and lanes will re-open during the winter break.

### MAP OF WORK AREA

### WORK DETAILS

To date, the City's contractor has started installing fire hydrants and services from the existing watermain. When work re-starts in February 2020, the contractor will:

- Excavate the road and dig a trench to access and install the new watermain.
- Replace any City-owned water service pipes that do not meet City standards from the watermain to the private property line.
- Restore all areas affected by construction.
- Resurface the watermain trench.

The schedule below offers a look at planned activities. Note, this timeline is subject to change.
