

City of Toronto
 Divisional Business Expenses
 For the six months ended on June 30, 2019

Division: Strategic & Corporate Policy

Division Summary

Annual Budget (Gross): \$4.10 Million
No. of Employees: 32

Description:

Strategic & Corporate Policy ensures responsiveness to City Council and citizens, facilitates improved service delivery, promotes the City's interests in legislative affairs, and sets policy for initiatives. We provide advice and support to the City Manager and Council on intergovernmental matters including the administration of agreements and funding programs with other orders of government, governance and decision making structures for Council and its agencies and corporations, and undertakes government-wide policy initiatives including participatory engagement activities to support Council decision-making.
