

Addendum 5

**The City of Toronto (the “City”)
in conjunction with
Toronto Community Housing Corporation (“TCHC”)
RFP-TF-2019-001
Request for Proposals for Ownership and Operation of
TCHC’s Scattered Housing Portfolio (the “RFP”)**

This Addendum 5 is to incorporate the Environmental Reports – Phase 1 as part of the RFP, as detailed in 11. Environmental Reports – Phase 1 in B. Material Disclosures (Appendix D – RFP Particulars).

Proponents should access the Environmental Reports – Phase 1 online via the following Dropbox link: <https://www.dropbox.com/sh/ungynfshjwoyuep/AABiRJayu8XAI7fKGX8stIXfa?dl=0>

Proponents should note that the Environmental Reports are organized by bundle and address. Additionally, proponents should note that TCHC has provided all of the Environmental Reports that are available at this time, and that therefore not all addresses have a corresponding Environmental Report. If additional reports become available during the RFP process, they will be uploaded to the same Dropbox folder and proponents will be notified via addendum.

If you are having trouble accessing the Dropbox link and the files within, please contact the RFP Contact at TFScatteredHousingRFP@procurementoffice.com.
