

# PARK CONTEXT:

# PARK VISIONING OBJECTIVES:

## TO CONNECT:

- Connect park amenities with a pathway system that integrates accessible entryways from flanking streets
- Make surrounding streets safer for pedestrian

## TO PRESERVE & ENHANCE:

- Protect and enhance existing well loved park amenities: baseball, pool, informal tobogganing hill, and playground
- Expand tree canopy cover by planting more trees. Add more seating, a drinking fountain, and extra litter bins

## TO MAKE NEW:

- Prioritize multi-purpose and multi-seasonal park amenities
- Investigate opportunities to add new park amenities prioritized by the Community
- Introduce measures to discourage dogs-off leash and/or explore a suitable dogs off-leash area
