In the event of a vacancy in the Ward in which the subject property is located, the Mayor's office shall be consulted in the alternative.
- (b) Where approving power has been delegated to staff, the Deputy City Manager, Corporate Services, in consultation with any other applicable Deputy City Manager or the City Manager, may determine that such matter is of such special interest that same should be returned to the relevant Committee and Council for consideration and determination.
- (c) Exercise of delegated authority is subject to all applicable Council policies, statutes or other applicable law.
- (d) Authority to approve financial commitments/expenditures is subject to all amounts being available in an approved budget, or funding being available from third party sources, except for "Strategic Property Acquisitions" as set out in EX44.22 adopted by Council August 25, 26, 27 and 28, 2014, which identifies alternative funding mechanisms subject to additional approval requirements.

- (h) Authority to acquire property is conditional upon provision being made to bring the property into compliance with applicable MOE or other requirements such that it will be fit for its intended municipal purpose, except for property acquisitions of 50M² or less for transit shelter purposes.
- (i) Authority to initiate the permanent road closure process in **A.4** is conditional upon confirmation by the GM of Transportation Services that it is feasible to permanently close the highway.
- (j) Disposal authorities in **A.7** are subject to the property having been declared surplus, and the disposal policy complied with.
