HOW TO SAFELY WEAR A MASK:

- Do wash your hands before putting it on & taking it off
- Do make sure it fits to cover your mouth & nose
- Do wash your cloth mask in the laundry
- Do clean surfaces that a dirty mask touches

- Don’t touch your face or mask while using it
- Don’t use masks on children under 2 or those who can’t breathe with them on
- Don’t share your mask with others
- Don’t wear medical masks, keep them for health care workers

The best protection is:
- Stay home
- Keep a 6 foot distance
- Wash hands often

Stay home
Keep a 6 foot distance
Wash hands often
