Watermain Replacement on Appletree Court

Contract: 19ECS-TI-11LR

Start Date: April 27, 2020

End Date: June 30, 2020

**Timeline is subject to change.*

The City of Toronto will replace the watermain and the City-owned portion of substandard water services on Appletree Court starting in April.

The water service is the underground pipe that brings water to your water meter and is owned by you and by the City. The part you own is from your house to the end of your property, the part the City owns is from the end of your property to the watermain.

This project is part of the Council-approved 2019 Capital Works Program to renew our aging infrastructure, improve water distribution and reduce the risk of watermain breaks.
