

How to Log In – Video Tutorial Transcript

Hi. In this video we will go over how to log in the Toronto Grants Rebates and Incentives Portal or TGRIP. To start off you should have received an email from support@smartsimple.ca.

To create your password click on this link. Now enter your password. Please refer to the password policy and click submit.

You have successfully set your password and logged into SmartSimple for the first time. Here you can see your applications as well as any funding opportunities that are open and available to you.

To log out, go to the L or username, click on it and click the log out button. You have now logged out

In order to log in to SmartSimple without a link put cot.smartsimple.ca in the address bar and press enter. Here, retype your name and password and you should be able to log in.
