

## Toronto Public Health Community and Allotment Garden Declaration

### Declaration for garden members (both community and allotment gardens)

I \_\_\_\_\_ declare that I have read and understand the Toronto Public Health directions for participating in community gardens and allotment gardens. I understand what my responsibilities are and I will adhere to the guidelines.

### Declaration for community garden managers

I \_\_\_\_\_ as the community garden manager declare that I have met all the conditions in the Toronto Public Health directions to open my community garden. I understand what my responsibilities are as a community garden manager and I will adhere to the guidelines.

I have communicated with all of my community garden members and have made them aware of the Toronto Public Health directions and their individual responsibilities.

If I am also a garden member, I acknowledge that I understand my responsibilities as an individual garden member and I will adhere to the guidelines.

**Garden members who are part of a community garden must submit their completed declarations to the community garden manager. Community garden managers must retain records of completed declarations for all garden members, including themselves.**

**Garden members who are part of an allotment garden must submit their completed declarations as part of their permit application. More information will be available through the permit process.**
