

Sewer Replacement and Intersection Improvements on Weston Road from Lawrence Avenue West to Humberview Crescent

Contract: 19ECS-TI-104LR

Start Date: May 2020

End Date: December 2021

**Timeline is subject to change. Future notice to be provided*

In May, the City will begin underground and road infrastructure improvements on Weston Road from Lawrence Avenue West to Humberview Crescent.

The City plans to replace sanitary and storm sewers and the City-owned portion of substandard water services in sections of Weston Road.

Weston Road from Lawrence Avenue West to Humberview Crescent will be resurfaced. Construction will also include intersection safety improvements at the following intersections:

- Weston Road / St. Phillips Road
- Weston Road / Church Street
- Weston Road / John Street
- Weston Road / Lawrence Avenue West
- Jane Street / Trethewey Drive / Denison Road

Join Councillor Nunziata and City Staff to learn more about the planned work.

Date: Monday, March 2, 2020

Time: 6:30 p.m. to 8:30 p.m. Presentation at 7 p.m.

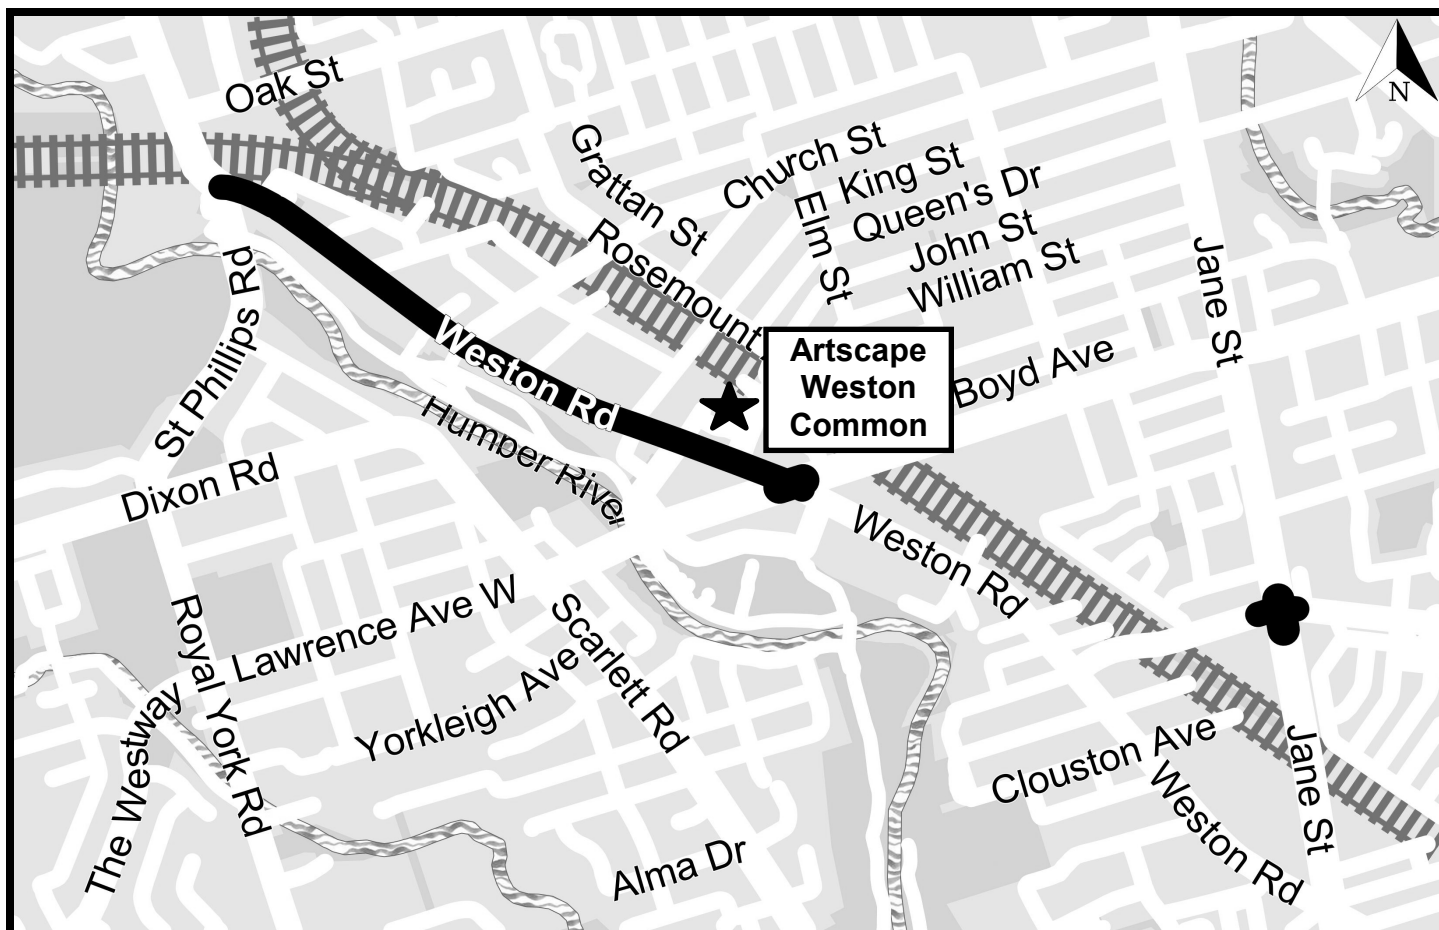

Place: Artscape Weston Common - Rockport Hall, 34 John Street

This venue is wheelchair accessible.

BEFORE CONSTRUCTION

	Accessible Accommodation: Residents who require accommodation (level entry, longer notice, etc.) during construction must contact the Field Ambassador in advance.
	Access to Your Property: The City-hired contractor may need access to your business or home to complete a pre-construction inspection. Affected properties will receive a pre-construction survey request to schedule a time to complete the survey.
	Important information for owners of sprinkler systems / heated driveways and private landscaping features. Property owners should remove items located within City property limits (boulevard) to avoid damage. This includes items such as landscaping (plants and pavers), decorative objects, sprinkler systems or heated driveways. If you have a sprinkler system or heated driveway, please contact the Field Ambassador listed below.
