

COVID-19 Patron Screening Poster

All patrons must self-screen before entering the premises.

Updated July 8, 2021

1. Do you have any of the following new or worsening symptoms or signs?

Fever or chills

Cough

Trouble breathing

Sore throat or trouble swallowing

Runny or stuffy nose

Decrease or loss of taste or smell

Nausea, vomiting or diarrhea

Pink eye

Headache*

Very tired, sore muscles or joints*

If you have an existing health condition that gives you the symptoms, select "No," unless the symptom is new, different or getting worse.

*If mild headache, tiredness, sore muscles or joints occur within 48 hours after getting a COVID-19 vaccine, select "No" and continue to follow all public health measures. If symptoms last longer than 48 hours or worsen, select "Yes".

If "YES" to any symptoms: Stay home & self-isolate + get tested or contact a health care provider

2. Does anyone in your household have one or more of the above symptoms and/or are waiting for test results after experiencing symptoms?

Yes

No

• If you are fully vaccinated**, select "No."

• If the household member's mild headache, tiredness, sore muscles or joints occurred within 48 hours after getting a COVID-19 vaccine, select "No". If their symptoms last longer than 48 hours or worsen, select "Yes."

3. Have you been notified as a close contact of someone with COVID-19 or been told to stay home and self-isolate?

Yes

No

• If you are fully vaccinated** and have not been advised to self-isolate by public health, select "No."

4. In the last 10 days, have you tested positive on a rapid antigen test or a home-based self-testing kit?

Yes

No

• If you have since tested negative on a lab-based PCR test, select "No."

5. In the last 14 days, have you travelled outside of Canada AND been advised to quarantine per the [federal quarantine requirements](#)?

Yes

No

If "YES" to questions 2, 3, 4 or 5: Stay home + follow Toronto Public Health advice

Developed in accordance with recommendations and instructions issued by the [Office of the Chief Medical Officer of Health](#)

**Fully vaccinated is defined as an individual ≥ 14 days after receiving their second dose of a two-dose COVID-19 vaccine series or their first dose of a one-dose COVID-19 vaccine series.
