

TIPS TO BEAT THE HEAT!

COVID-19 is circulating in Toronto.

Remember to follow these tips to avoid being exposed:

- Stay home when you are ill
- Practice physical distancing when you are out
- Wash your hands with soap and water
- Stay informed, visit toronto.ca/COVID-19

Heat illness is preventable. Too much heat can make you sick and lead to serious health problems or even death. Know the early symptoms of heat related illnesses including dizziness, feeling sick, having a headache or feeling very thirsty. In very hot or humid weather:

STAY HYDRATED

Drink lots of water even before you feel thirsty.

CHECK ON OTHERS

Call, text or video chat with family, friends & neighbours (especially older adults living alone) to make sure they're staying hydrated & keeping cool.

KEEP COOL

Find a cool space near you
- call 311 or visit toronto.ca/keepcool
for information and resources.

USE A FAN

Use a fan near an open window to bring in cooler air from outside.

AVOID THE SUN

Stay in the shade or use an umbrella.

BLOCK THE SUN

Keep blinds or curtains closed during the day.

PROTECT PEOPLE & PETS

Never leave a person or pet inside a parked car.

AVOID USING THE OVEN

Limit the use of the oven or stove; they make your space hotter.
