Purpose	To obtain authority for the City to enter into a License Agreement (the "License") for nominal value with the Community Space tenant at the Property, known as Senior Peoples' Resources In North Toronto ("SPRINT"), for the temporary occupation of certain vacant portions of the main floor of the Property (the "Licensed Area") for a period not exceeding six (6) months.

Financial Impact	There is no financial impact resulting from this approval. The license agreement is for nominal consideration. The Chief Financial Officer and Treasurer has reviewed this DAF and agrees with the financial impact information.
Comments	SPRINT has approached the City and requested temporary access to and use of the Licensed Area in an effort to expand its food service program for seniors in light of restrictions required as a result of the COVID-19 pandemic. SPRINT has traditionally provided nutritional meal delivery programs for seniors in the North Toronto area as part of their overall programming. The pandemic has created critical demand for meal delivery programming to seniors. SPRINT has ramped up its efforts in respect of this initiative with the help of many volunteers, and now requires more space to better manage the process. The Licensed Area has been vacant for several months as part of the plan to redevelop the Property under a Housing Now initiative. In addition to providing SPRINT with access to the Licensed Area, the License will also give SPRINT access to the parking area fronting onto Merton Street for a term of six months, for nominal value.

The City as Licensor shall be the sole determinant of said damages.</p>
