Road Resurfacing on Wallace Avenue from Lansdowne Avenue to Dufferin Street

Contract: 20ECS-TI-13LR

Expected Start Date: Spring 2020

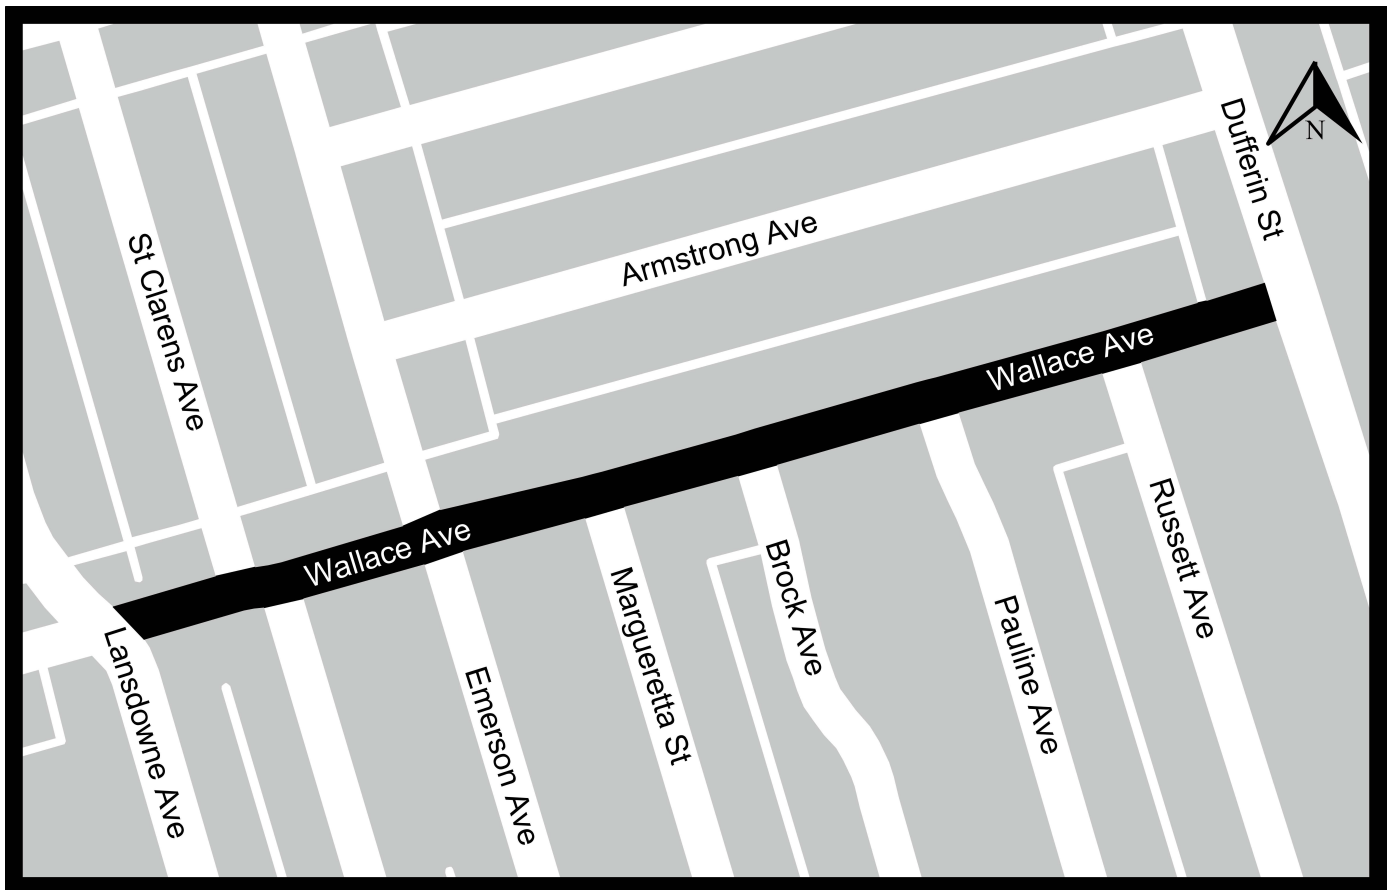

Expected End Date: Fall 2020

**Timeline is subject to change. Future notice to be provided.*

The City of Toronto is planning to replace damaged curbs and/or sidewalks and resurface Wallace Avenue from Lansdowne Avenue to Dufferin Street (see map). Our inspection of the road shows that it needs repaving and sections of damaged curb and/or sidewalk need to be replaced to bring them to a state of good repair.

This work is part of the Council-approved 2020 Capital Works Program to renew aging city roads and sidewalk for current and future needs.

MAP OF WORK AREA

WHAT TO EXPECT BEFORE CONSTRUCTION

- Work crews will mark sidewalks and/or curbs requiring replacement and the locations of underground utilities, such as gas, water, and electrical cables so that the construction work does not interfere with these utilities.
- This work should take place in 2020. A Construction Notice with more detailed information including start and end dates will be delivered about two weeks before work begins.
- Work in the boulevard in front of homes and commercial properties is expected. This work includes removing and replacing driveways, municipal sidewalks and grassed boulevards, where necessary.

	<p>Accessible Accommodation: Residents who require accommodation (level entry, longer notice, etc.) must contact the Field Ambassador to arrange for access during the construction period.</p>
	<p>Important information for owners of sprinkler systems / heated driveways and private landscaping features. Property owners should remove items located within City property limits (boulevard) to avoid damage.</p> <p>This includes items such as landscaping (plants and pavers), decorative objects, sprinkler systems or heated driveways. If you have a sprinkler system or heated driveway, please contact the Field Ambassador listed below.</p>
