

SAFELY SUPPORT YOUR NEIGHBOURHOOD FARMERS' MARKET

If the market is busy or crowded, try coming back at another time.

Look for a designated entry & exit point to help limit the number of people shopping.

Wear a mask & keep a distance of 6 feet from others while shopping.

Take your fresh food home to enjoy & wash with cold running water before eating.

Do not go to the market if you are sick.

Check if your market has an online shop or other delivery options.
