Prepared By:	Bruno Iozzo	Division:	Corporate Real Estate Management
Date Prepared:	March 26, 2020	Phone No.:	(416) 392-8151

Purpose	To obtain authority for the City of Toronto (the "City") to enter into a licence agreement (the "Licence") with the City of Vaughan (the "Licensor") to enter a portion of the Licensor's lands (portion of Steeles Avenue West right of way) where a portion of a wastewater collection and transmission system, known as the Maple Collector Sanitary Trunk Sewer (the "Sewer") is located. The Licence will permit the City access to the Licensed Area after acquisition of the Sewer from the Region of York.
Property	A portion of Steeles Avenue West located east of Dufferin Street, north of the road allowance between the Township of York and the Township of Vaughan and west of Plan M-1972, City of Vaughan, Regional Municipality of York, being part of PIN 03233-0002 (LT), containing a legal description of Part of Lot 1, Concession 2 (formerly Township of Vaughan) as in VA43876, VA70990 (secondly), VA65342, Part 1 on Expropriation Plan VA60268 and Part 8 on Reference Plan 64R-2199, and displayed on the property sketch attached hereto as Appendix "A" (the "Licensed Area").
Actions	1. Authority be granted to enter into the Licence with the Licensor, substantially on the major terms and conditions outlined below, and including such other terms and conditions as deemed appropriate by the approving authority herein, and in a form acceptable to the City Solicitor.
Financial Impact	There is no financial impact associated with the Licence. The City will acquire the Licence for nominal consideration. The Chief Financial Officer and Treasurer has reviewed this DAF and agrees with the financial impact information.
Comments	<p>The Toronto Water Division has an interest in acquiring the Sewer from the Region of York. Once acquired, the Sewer will provide Toronto Water with wastewater servicing capacity for future development, reduce inflow and infiltration to the City's sewer system and achieve operational and maintenance efficiencies, all at a significant cost savings. The majority of the Sewer is located on lands owned by the Toronto and Region Conservation Authority (the "TRCA"). City staff have requested and have received TRCA Board approval to acquire a permanent easement on the applicable TRCA lands that encompass the Sewer for nominal consideration. A portion of the Sewer crosses Steeles Avenue West and continues onto a different TRCA property on the north side of Steeles. While passing through Steeles, the Sewer also crosses a small parcel of land owned by the City of Vaughan.</p> <p>In order to proceed with the proposed acquisition of the Sewer from the Region of York, the City must enter into the Licence with the Licensor for the small portion of the Sewer that crosses the Licensor's lands. The Licence will enable the City to enter the Licensor's lands to carry out any works related to the Sewer.</p>
Terms	<p>Agreement Type – Licence Licensor – City of Vaughan Licensee – City of Toronto Licence Area – Approximately 166.8 square meters Consideration – Nominal Licence Term – 10 years with an automatic 10 year extension Commencement Date – Effective upon the transfer of the Sewer from the Region of York to the City Restoration – Upon expiry or termination, the City shall decommission the portion of the Sewer within the Licensed Area, which shall be deemed not to include removal of such infrastructure but could include filling the sewer line with concrete and/or grout Insurance – The City will obtain commercial general liability insurance and automobile liability in an amount of not less than Five Million Dollars (\$5,000,000.00) per occurrence Indemnity – The City shall indemnify and save the Licensor harmless from all claims resulting from the Licence</p>

In the event of a vacancy in the Ward in which the subject property is located, the Mayor’s office shall be consulted in the alternative.
- (b) Where approving power has been delegated to staff, the Deputy City Manager, Corporate Services, in consultation with any other applicable Deputy City Manager or the City Manager, may determine that such matter is of such special interest that same should be returned to the relevant Committee and Council for consideration and determination.
- (c) Exercise of delegated authority is subject to all applicable Council policies, statutes or other applicable law.
- (d) Authority to approve financial commitments/expenditures is subject to all amounts being available in an approved budget, or funding being available from third party sources, except for "Strategic Property Acquisitions" as set out in EX44.22 adopted by Council August 25, 26, 27 and 28, 2014, which identifies alternative funding mechanisms subject to additional approval requirements.

- (i) Authority to initiate the permanent road closure process in **A.4** is conditional upon confirmation by the GM of Transportation Services that it is feasible to permanently close the highway.
- (j) Disposal authorities in **A.7** are subject to the property having been declared surplus, and the disposal policy complied with.
