## Road Resurfacing on north-south portion of Coatsworth Crescent

**Contract: 20ECS-TI-14LR**

**Expected Start Date: Spring 2020**

**Expected End Date: Fall 2020**

*\*Timeline is subject to change. Future notice to be provided.*

The City of Toronto is planning to replace damaged curbs and/or sidewalks and resurface the north-south portion of Coatsworth Crescent (see map). Our inspection of the road shows that it needs repaving and sections of damaged curb and/or sidewalk need to be replaced to bring them to a state of good repair.

This work is part of the Council-approved 2020 Capital Works Program to renew aging city roads and sidewalk for current and future needs.

### MAP OF WORK AREA

## WHAT TO EXPECT BEFORE CONSTRUCTION

- Work crews will mark sidewalks and/or curbs requiring replacement and the locations of underground utilities, such as gas, water, and electrical cables so that the construction work does not interfere with these utilities.
- This work should take place in 2020. A Construction Notice with more detailed information including start and end dates will be delivered about two weeks before work begins.
- Work in the boulevard in front of homes and commercial properties is expected. This work includes removing and replacing driveways, municipal sidewalks and grassed boulevards, where necessary.
