

# Safely Operating Personal Service Settings During Covid-19

Includes haircuts, nails, tattooing, piercing, electrolysis & aesthetic services

Ensure staff & customers complete COVID-19 screening & stay home if sick.

Stagger shifts to reduce the number of staff on-site.

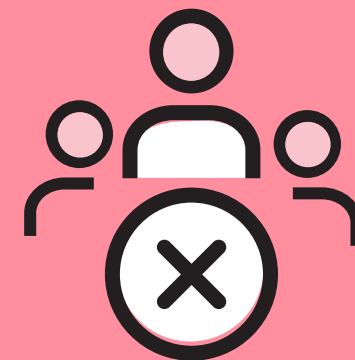

Keep a record of visit dates & contact info for staff & customers.

Staff & customers should wear a mask.

Communicate to customers about the changes you have made.

Only those receiving service should attend the appointment.
