

## WHAT TO EXPECT BEFORE CONSTRUCTION

- Work crews will mark sidewalks and/or curbs requiring replacement and the locations of underground utilities, such as gas, water, and electrical cables so that the construction work does not interfere with these utilities.
- This work should take place in 2020. A Construction Notice with more detailed information including start and end dates will be delivered about two weeks before work begins.
- Work in the boulevard in front of homes and commercial properties is expected. This work includes removing and replacing driveways, municipal sidewalks and grassed boulevards, where necessary.

	<p><b>Accessible Accommodation:</b> Residents who require accommodation (level entry, longer notice, etc.) must contact the <b>Field Ambassador</b> to arrange for access during the construction period.</p>
	<p><b>Important information for owners of sprinkler systems / heated driveways and private landscaping features.</b> Property owners should remove items located within City property limits (boulevard) to avoid damage.</p> <p>This includes items such as landscaping (plants and pavers), decorative objects, sprinkler systems or heated driveways. If you have a sprinkler system or heated driveway, please contact the <b>Field Ambassador</b> listed below.</p>
