Road Resurfacing on Gidley Road and Kidbrooke Crescent

Contract: 19ECS-TI-14LR

In September 2019, the City notified residents of planned road resurfacing work on Gidley Road and Kidbrooke Crescent. Construction on these streets did not take place in 2019 and was originally going to be completed in 2020.

The watermain under Kidbrooke Crescent needs to be replaced in 2021; because of this work, the City will resurface Gidley Road and Kidbrooke Crescent after that work is completed. A new notice will be provided before the watermain work starts.
