## Next, draw your vision for the new Tom Riley Park Playground!

These are some questions to think about before you design your playground:

- Who will use the playground?
- Will the playground have a design theme? (for example, an Under The Sea theme)
- What features will the playground have? (for example, will it have a slide, swings, a play structure, or other features)
- How can you make the playground welcoming and accessible for all kids?

You can cut and paste the following features into your design to get you started, or draw your design by hand.

LARGE PLAY STRUCTURE

KID SWINGS

TODLER SWINGS

SUN SHADE

TREE

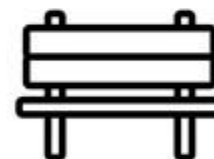

SPIRAL SLIDE

SLIDE

SEESAW

BENCH

CLIMBING STRUCTURE

SAND BOX

SPRING TOY

PICNIC TABLE
