

June 29, 2020

Intersection Improvements at Jane Street Trethewey Drive and Denison Road East

Contract: 19ECS-TI-104LR

Start Date: July 6, 2020 End Date: September 21, 2021

Winter Shutdown: November 22, 2020 to February 28, 2021

**Timeline is subject to change.*

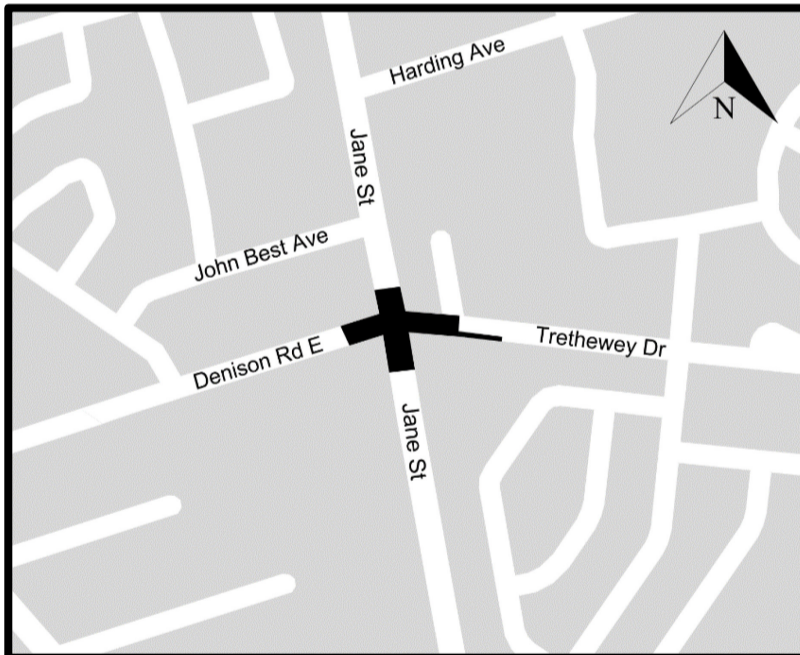

The City of Toronto will be preparing to remove the right-turn channel at the southeast corner of the intersection in 2021. In 2020, crews will relocate hydro and traffic signal poles at the Jane Street and Trethewey Drive/Denison Road East intersection.

The improvements are part of the Council-Approved 2019 budget and the City's Vision Zero Road Safety Plan that aims to create a safe and healthy city by eliminating all fatalities and serious injuries on city streets. For further details and to sign up for project updates, please visit the project website toronto.ca/westonroad

IMPORTANT INFORMATION ABOUT COVID-19 AND CONSTRUCTION WORK IN TORONTO

As restrictions on construction have been lifted by the Province of Ontario, City-led infrastructure will continue to proceed. During construction, the contractor is responsible for the Health & Safety on site under the Ontario Occupational Health and Safety Act and is expected to implement COVID-19 mitigation practices. For more information on the City's response to COVID-19 please visit toronto.ca/covid-19.

MAP OF WORK AREA

WORK DETAILS

Location and Dates <i>* subject to change</i>	Work	Traffic Restrictions <i>* subject to change</i>
Jane Street and Denison Road / Trethewey Drive July 13 to July 30, 2020	Hydro Pole Relocation and Electrical work.	One lane of traffic in each direction overnight with the intersection opening each morning

WHAT TO EXPECT DURING CONSTRUCTION

- You may experience dust, noise and other inconveniences. The City will make efforts to reduce the impacts. We appreciate your patience.
- The City will not be responsible for damage to any privately owned items on City property.

	<p>Work Hours: Work will take place overnight from 7 p.m. to 7 a.m., Monday to Friday, with work on weekends as required. Overnight work is planned to reduce the traffic impacts of this construction.</p>
	<p>Pre-Construction Inspection: OZA Inspections Ltd., under contract to the City of Toronto, will survey all properties within 30 metres of the construction area before construction starts. Participation in the survey is voluntary; however, participating is important in determining if the construction caused damage. The inspection will look at the exterior of all properties to verify existing conditions. Affected properties will receive a separate notice to set up an appointment. All inspection staff will wear photo I.D. and carry photo equipment for this work.</p>
	<p>Road and Sidewalk Access: In order to complete the work in a safe manner, there will be road and sidewalk restrictions within the work zone. Access for emergency vehicles will be maintained at all times.</p> <p>Driveway Access: The contractor will notify you of any temporary restrictions to your driveway access. If your property has two entrances, one entrance will be kept open at all times.</p>
	<p>Traffic Management: Efforts have been made to manage traffic in the area for the safety of workers, road users and residents. Road users should expect delays and increased traffic on nearby main and side streets.</p>
	<p>Accessible Accommodation: Residents who require accommodation (level entry, longer notice, etc.) must contact the Public Consultation Unit to arrange for access during the construction period.</p>
	<p>Garbage and Recycling: Please follow your normal routine. If required, the contractor will move bins to an appropriate location and return them. Please ensure that you label your bins with your address.</p>
	<p>Restoration: Areas affected by construction will be restored.</p>
	<p>Winter Shut Down: During the winter shutdown, the road and sidewalks will be temporarily restored. All roadways and sidewalks will remain and accessible to the public. A Construction update will be issued before work re-starts in 2021.</p>
