

HELP PREVENT THE SPREAD OF COVID-19 IN YOUR WORKPLACE BY CREATING A PLAN THAT INCLUDES:

Physical Distancing

Help staff & customers stay 2 metres/6 feet apart as much as possible – this is the best way to prevent virus spread

Workplace Modifications

Consider modifying the workplace to limit spread through hand hygiene stations & plexiglass barriers

Policies & Procedures

Develop policies & procedures to keep your workplace safer, such as screening protocols and teleworking options

Masks & Personal Protective Equipment

Staff should wear their mask & personal protective equipment as required and when physical distancing isn't possible
