

# Safely Operating a Recreational Facility During Covid-19

Limit capacity to ensure physical distance. No more than 50 people for indoor classes & areas or 100 people outdoors

Encourage pre-registration for classes with assigned time slots

Provide hand sanitizer dispensers throughout the facility

Keep a log of staff & customers to help with contact tracing if needed

Staff & customers must wear a mask indoors, except when exercising

Clean & disinfect equipment between each use & at the end of activities
