Road Resurfacing on Gerrard Street West from Yonge Street to Elizabeth Street

Contract: 20ECS-TI-10SP

Expected Start Date: Late September 2020 Expected End Date: December 2020

**Timeline is subject to change.*

The City of Toronto is planning to resurface the road on Gerrard Street West from Yonge Street to Elizabeth Street. Our inspection of the road shows that it needs resurfacing and sections of damaged curb and sidewalk need to be replaced to bring them to a state of good repair.

This work is part of the Council-approved 2020 Capital Works Program to renew aging city roads and sidewalk for current and future needs.

IMPORTANT INFORMATION ABOUT COVID-19 AND CONSTRUCTION WORK IN TORONTO

As restrictions on construction have been lifted by the Province of Ontario, City-led infrastructure will continue to proceed. During construction, the contractor is responsible for the Health & Safety on site under the Ontario Occupational Health and Safety Act and is expected to implement COVID-19 mitigation practices. For more information on the City's response to COVID-19 please visit toronto.ca/covid-19.

MAP OF WORK AREA

WHAT TO EXPECT BEFORE CONSTRUCTION

- Work crews will mark sidewalks and curbs requiring replacement and the locations of underground utilities, such as gas, water and cable so that the construction work does not interfere with these utilities.
- Affected properties will receive a Construction Notice approximately two weeks before work begins with more information about the work.
- Work in the boulevard in front of homes and commercial properties is expected. This work includes removing and replacing driveways, municipal sidewalks and grassed boulevards, where necessary.
- The City will not be responsible for damage to any privately owned items on City property.

	Accessible Accommodation: Residents who require accommodation (level entry, longer notice, etc.) must contact the Public Consultation Unit to arrange for access during the construction period.
	Important information for owners of sprinkler systems / heated driveways and private landscaping features. Property owners should remove items located within City property limits (boulevard) to avoid damage. This includes items such as landscaping (plants and pavers), decorative objects, sprinkler systems or heated driveways. If you have a sprinkler system or heated driveway, please contact the Public Consultation Unit listed below.
