

COMMUNITY UPDATE – MODULAR SUPPORTIVE HOUSING AT 11 MACEY AVENUE

August 13, 2020

You are receiving this information because you have signed-up for community updates on the Modular Supportive Housing Initiative at 11 Macey Avenue. Please share with your network as appropriate.

Construction update

Site preparation is anticipated to begin at the 11 Macey Avenue/ St. Dunstan Drive site starting August 17, 2020 including installing construction fencing. At this point, public access to the site will no longer be permitted. There will be extensive soil removal before foundation work can begin because of the large slope on the site. Once the site preparation is complete, the building foundation work will begin. This work is expected to be complete in late September.

Please be advised that per Ontario Regulation 130/20 enacted on April 7, 2020 construction activities are allowed 7 days per week (including holidays) from 6:00 am to 10:00 pm. Builders and their trades have been asked to be mindful of the adjacent neighbourhood during construction hours. Future updates on construction schedule will be available on the website at www.toronto.ca/modularhousing.

If you need to report any construction-related issues please contact Bruce Davis, the City's consultant, at 416-520-1972 or email City staff at modularhousing@toronto.ca.

Housing Services Provider

A housing services provider has not yet been selected for the Modular Housing at 11 Macey Avenue. We anticipate that a housing services provider will be chosen by the end of August. We will update you as soon as more information is available.

Community Liaison Committee

Once a housing services provider is selected, we will be convening a Community Liaison Committee (CLC) to maintain communication between the community and the modular housing project team.

The CLC will include local residents, and representatives from local businesses, non-profit groups, the City, Councillor's Office and the housing service provider once they are selected. If you are interested in participating on the Community Liaison Committee please send an email to modularhousing@toronto.ca with the subject line **CLC-Macey**, indicating your interest, experience and organization (if applicable).
