1. Does the student have any of the following new or worsening symptoms?*

- Fever > 37.8°C
- Cough
- Difficulty breathing
- Loss of taste or smell
- Feeling unwell, muscle aches or tired
- Stuffy or runny nose
- Headache
- Sore throat or pain swallowing
- Nausea, vomiting or diarrhea

If “YES” to any symptom: Stay home & self-isolate + Get tested Or Contact a health care provider

2. Is there a child or sibling in your household who has one or more of the above symptoms?

3. Has the student travelled outside of Canada in the past 14 days?

4. Has the student been notified as a close contact of someone with COVID-19?

5. Has the student been told to stay home and self-isolate?

If “YES” to Questions 2, 3, 4 or 5: Stay home & self-isolate + Follow public health advice

*Children who have an existing health condition identified by a health care provider that gives them the symptoms should not answer YES, unless the symptom is new, different or getting worse. Look for changes from your child’s normal symptoms.
