Land Acknowledgement

We acknowledge the land we are meeting on is the traditional territory of many nations including the Mississaugas of the Credit, the Anishnabeg, the Chippewa, the Haudenosaunee and the Wendat peoples and is now home to many diverse First Nations, Inuit and Métis. We also acknowledge that Toronto is covered by Treaty 13 with the Mississaugas of the Credit, and in Scarborough, east of Woodbine, the Williams Treaties signed with multiple Mississaugas and Chippewa bands.

Toronto Children's Services General Manager Update

Shanley McNamee

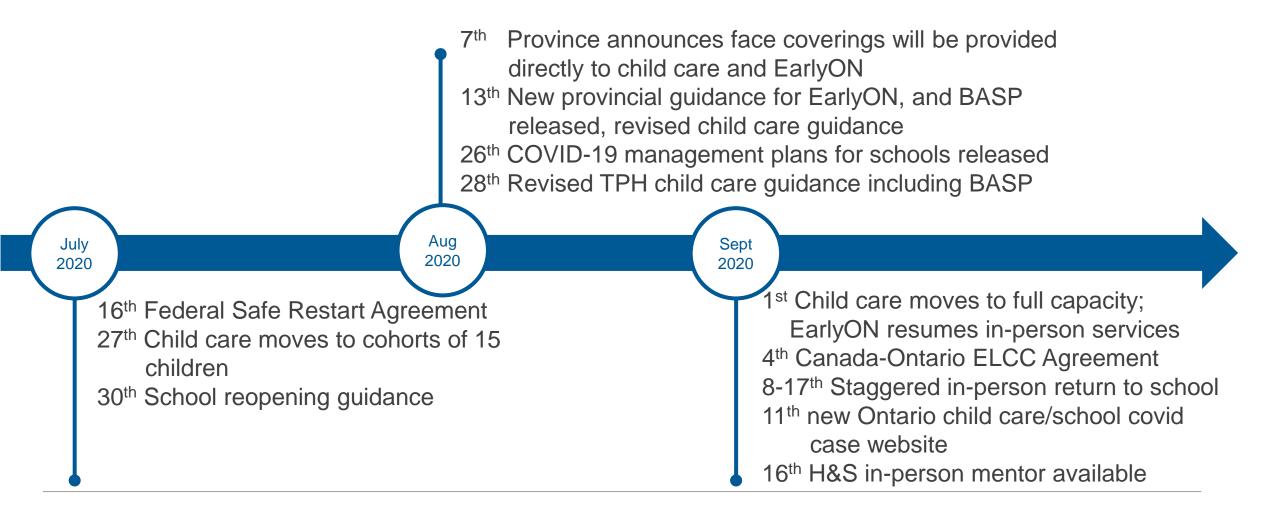

COVID-19 Timeline

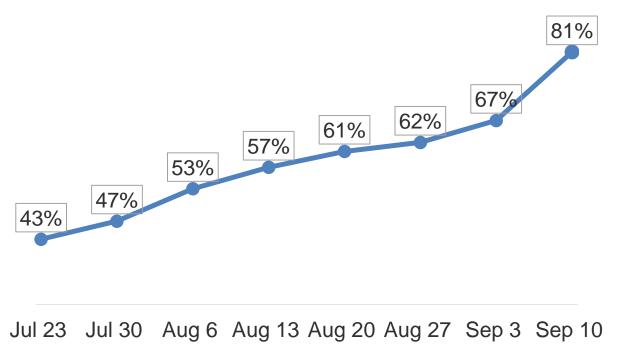

COVID-19 Timeline

Recovery and reopening to date

Percentage of centres that have reopened

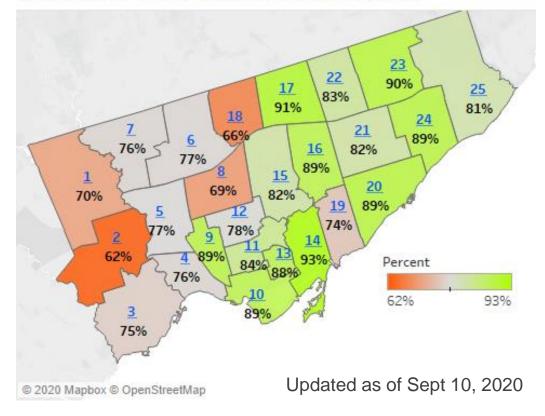

- Over several weeks, the child care and early years sector has gradually reopened its doors
- By end of July, only about 43% of centres had reopened
- As of September 10, 81% of child care centres reopened
- To date, of the 20 home child care agencies that operate in Toronto, 17 are operating.

Child care centre reopening by ward

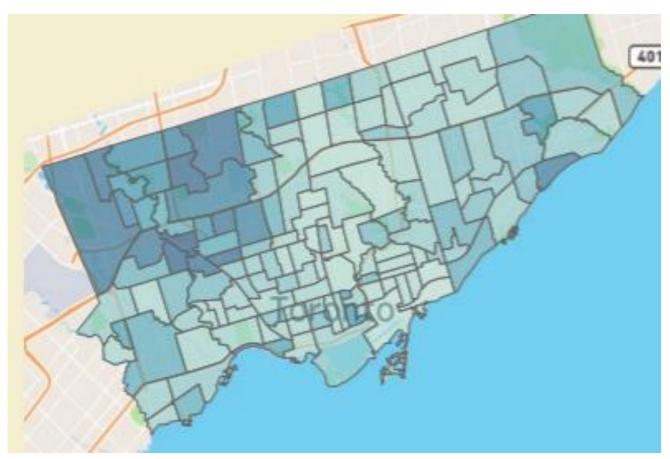

- Child care centre reopening is happening at various paces across the City's wards
- Wards in Central Toronto and in Scarborough have most centres open
- A lower percentage of centres in the west have opened.

A) Percent of ward's centres that have reopened

TPH COVID-19 neighbourhood data

- Similarity to TPH COVID-19
 neighbourhood data
- Inequities experienced by geography
- Monitor for impact on child care
- Recovery principles and focus on equity

Child care capacity

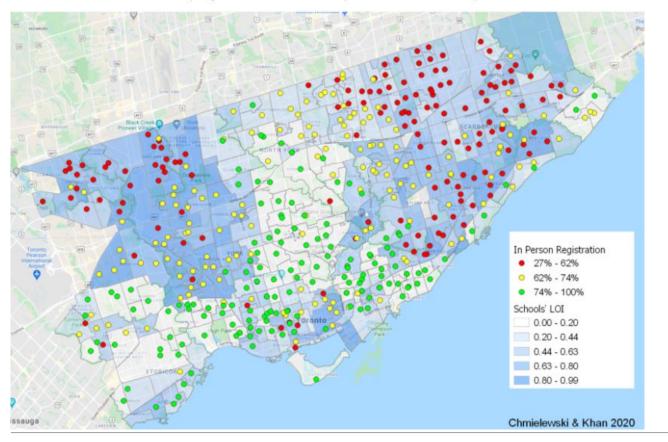

Child care centre capacity:

- Of the 60,700 spaces in child care centres with a service agreement, approximately 37% have been filled as of September 10
- So while child care and early years services have reopened, it will take time for the sector to fully recover to a place of stability

TDSB in-person learning map

Percent Opting for In Person School by LOI, TDSB Elementary Schools

- Red areas are schools with lower in person enrolment
- Inequities experienced by geography
- Monitor for impact on child care

Health and Safety

- Online health and safety training modules to support the reopening of child care and early years sector
 - -Videos have been viewed over 89,000 times
 - -628 centres have completed the mandatory training
- Hosted 90 Community of Practice sessions
 - Total 2,332 participants from centres and home child care
- In-person mentoring supports are being offered

2nd Wave Planning

- Planning and policy based on lessons learned
- Improve funding simplicity and flexibility
- Engage the sector and collaborate with provincial, TPH and school board partners
- Target supports for the most vulnerable and marginalized families
- Advocate for fair compensation for the workforce delivering essential services
- Ensure the delivery and coordination of services for families

Themes from survey questions

- Funding and viability
- Fee subsidy
- Health and safety practices
- Consistency in guidance
- Second wave

Wrap Up

- Child care and early years services are essential
- Continue investments and collaboration from Federal, Provincial and Municipal governments
- Apply an equity lens to policy decisions
- Support a thriving workforce is critical to ensure a stable system

A strong, viable early years system requires collaboration between the Province, Toronto Children's Services and service providers
