PREPARING YOUR CHILD FOR SCHOOL

1. Practice properly putting on, wearing & taking off a mask.
2. Teach your child proper handwashing & cough/sneeze etiquette.
3. Remind them not to share their mask or other personal items.
4. Discuss keeping a physical distance as much as possible.
5. Complete a health screening every day before going to school.
6. Keep your child home if they are sick & get them tested.
