Contract: 20ECS-TI-14LR

The City's contractor has completed curb and sidewalk replacements and has finished resurfacing the road on Adelaide Street West, Crawford Street and Canniff Street.

Work on Walnut Avenue from Wellington Street West to King Street West was originally placed on hold due to conflicts with other works in the area. After reviewing the timeline of planned infrastructure improvements for Walnut Avenue and other streets in the area, the road resurfacing on Walnut Avenue has been deferred to a future Capital Works Program. Road resurfacing on Walnut Avenue will not take place under this contract.
