

Woodside Square Planning Review Local Advisory Group Members

Alex Cho	I am the owner of Casa Deluz, a restaurant and banquet hall in Woodside Square.
Alura Moores	I serve as President of the Scarborough Rosewood Community Association and currently work as an office manager and paralegal. I have lived in and around the Rosewood community near Woodside Square since 2008. I am interested in the development at Woodside Square Mall because this mall is an integral part of the community, and I want to it to be holistic development that supports and allows for the many aspects of livability and community both for the people that will be living there and those who live nearby.
Carrie Chung	I am the President of the board for a condominium building adjacent to Woodside square. I am interested in this redevelopment to ensure there is minimal impact to existing residence of the neighbourhood, as many residents have serious concerns regarding the density of the redevelopment. Public spaces, openness and community outdoor events such as firework, recycling events and food festivals are all enjoyable to the neighbourhood.
Etienne Mercieca	I was born in Toronto to parents who immigrated here from Malta and grew up in Scarborough, where I attended elementary and high school. I have an undergraduate degree in International Studies from York, a degree in Education from the University of Windsor, and a Masters of Education from OISE (U of T). I have been an elementary school educator with the Toronto District School Board since 2004 and the principal of Brimwood Boulevard Jr. Public School since 2018. I am also the proud father of two young boys, ages 1 year and 3 years-old. Finally, I am an avid Toronto Maple Leafs fan and look forward to the day when Toronto has a Stanley Cup parade!
Joseph Sheon	I have been living in Scarborough for over 35 years out of which about 29 at this neighbourhood. I am a self-employed Tool & Die designer which means that I look into all the details very carefully. Coming from a different background I should be able to see things from another angle. I would be happy to contribute in any way I could towards making Woodside Square area more lively neighbourhood.
Pritesh Tejani	I am a recent graduate from Seneca College and live just beside the mall. I am very concerned with the environmental impact the changes will have and to ensure that the community grows in the right direction!

Saifoo Lau	I am a full time Realtor for 25 years and have lived in this community since 1990. I volunteer help to seniors at nearby Yee Hong Centre, support Scarborough Rosewood Food Drive, Brimley Forest and Rosewood communities. I am interested in the Woodside Square development because I care for the multicultural community and ensure we will enjoy better lifestyle living.
Shivonne Modeste	I am a social worker who works with seniors. I have lived in the Woodside Square area for my whole life, and I'm glad to have an opportunity to be on this committee so we can continue to make the community better.
Stephen Siu	Stephen is the President of the Yee Hong Community Wellness Foundation, which is located about a block from Woodside Square. Yee Hong, with a workforce of 1,200, runs four centres for geriatric care and many social service programs, regularly serving 26,000 seniors and their families in GTA. He takes part in the Local Advisory Group because senior residents at Yee Hong Garden Terrace and Yee Hong Evergreen Manor – two of Yee Hong’s senior housing estates – in Scarborough visit Woodside Square frequently. He is in an ideal position to convey the seniors’ feedback to the planning group.
Tin Chung	My name is Tin Chung. I am a realtor and I have lived in the Scarborough North Riding since 1997. I sit on the Board of Directors for the Toronto Hakka Heritage Alliance. My family and community members frequent this mall on a daily basis for most of our day to day needs and enjoyment. I’d like to ensure that the flow of vehicular and foot traffic safety is enhanced and that the site design does not compromise the security and safety of the patrons. I hope this mall will be eco-friendly, especially with the recycling program.
Whitney Zhan	I’m Whitney, running a marketing agency to connect local businesses with Chinese communities in Canada and U.S. My family and I have been enjoying the shoppers and services located in the Woodside Square for more than a decade. We hope the redevelopment can serve the needs of the neighbourhood better.
Wing Tai Lam	Being a local branch manager at RBC within Woodside Square since 2012, I understand the needs of my clients and friends who live and work in North Scarborough. In my volunteer work, I served at the 42 Division Community Liaison Committee. Currently, I am the Director of the Chinese Canadian Youth Athletic Association and Chairman of Yee Hong Chinese Evergreen non-profit homes (Board of Directors).
