Road Resurfacing on north-south portion of Coatsworth Crescent

Contract: 20ECS-TI-14LR

Original Start / End Date: June 26, 2020 / August 7, 2020

Revised End Date: October 9, 2020

**Timeline is subject to change.*

The City of Toronto will resurface the north-south portion of Coatsworth Crescent (see map). Our inspection of the road shows that it needs resurfacing and sections of damaged curb and/or sidewalk need to be replaced to bring them to a state of good repair.

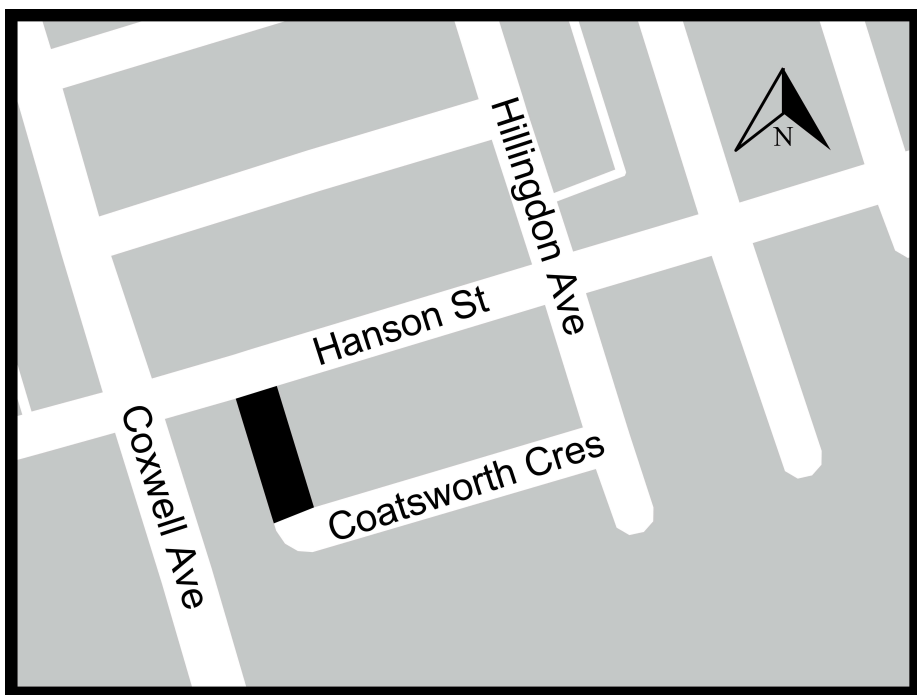

The timeline for this work was extended due to weather, and delays were compounded by scheduling difficulties and crew availability. The contractor was required to complete work within school zones before schools restarted in mid-September. In order to meet this deadline, the contractor prioritized work within school zones. All streets in this cluster are scheduled to be completed by the Revised End Date indicated above.

This work is part of the Council-approved 2020 Capital Works Program to renew aging city roads and sidewalk for current and future needs.

IMPORTANT INFORMATION ABOUT COVID-19 AND CONSTRUCTION WORK IN TORONTO

The Province of Ontario has enacted a declaration of emergency to help contain the spread of COVID-19 and protect the public. A list of essential workplaces in Ontario was announced on March 23. As indicated on the list, City-led infrastructure construction has been deemed essential and this project will proceed. This construction is essential to ensure the City's infrastructure remain safe, in a state of good repair and able to meet Toronto's needs. For more information on the City's response to COVID-19 please visit toronto.ca/covid-19.

MAP OF WORK AREA
