Appendix A - Additional Comments

The newly-constructed Facility is home to a new PFR Community Recreation Centre as well as TDSB and TCDSB elementary schools. The City has or will enter into Leases and a Shared Facilities Agreement with the TDSB and the TCDSB for the operation of their schools, as well as a Lease with a Child Care Centre operator, The Neighbourhood Group.

The multi-use community space to be leased to the Tenant is comprised of approximately 7207 square feet of space split over 3 storeys, and forms part of the north wing of the Facility, as shown on the sketches attached as Appendix D (the "Premises"). In addition to the Premises, the Tenant shall be granted, through the Agreement, a non-exclusive licence over the outdoor areas shown in Appendix E (the "Outdoor Licenced Area").

Rental payments will be received by the Parks, Forestry & Recreation Division, who will be responsible for all operating costs associated with the Premises, including the Tenant's proportionate share of property management fees and other costs associated with the Shared Facilities Agreement between the City, the TDSB and the TCDSB with respect to the Facility.

Realty Taxes will be the sole responsibility of the Tenant. However, the City has initiated an application for a Municipal Capital Facility ("MCF") designation for the Premises on the basis of the Tenant's status as a non-profit organization providing community services on site. If City Council passes a by-law for such an MCF designation, the City will enter into an MCF Agreement with the Tenant and pass the full benefit of any realty tax exemption to the Tenant.

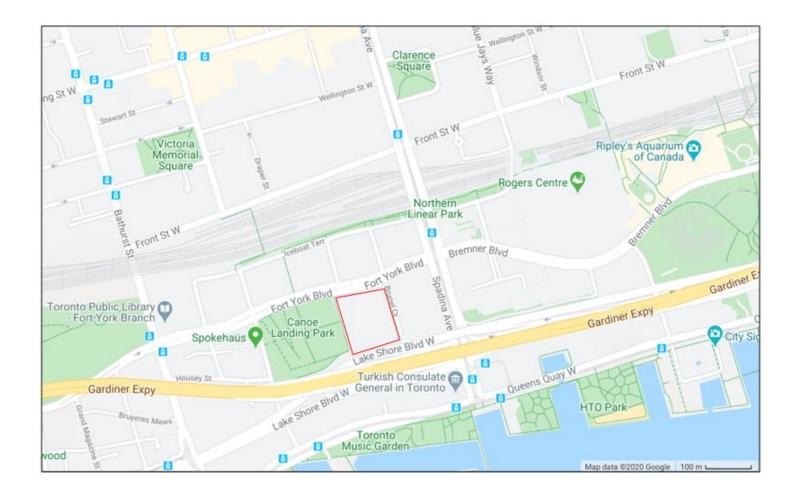

In consideration of the impacts of COVID-19 on the program model of the Tenant, which relies on philanthropic donations and events that bring people together in physical spaces as key sources of revenue, the Tenant has been offered a 3-month rent deferral period, with the deferred rent to be amortized over months four through eight, inclusive. This deferral period will allow the Tenant to focus on adapting their program model to the 'new normal' in a new space. The terms of the rent deferral are consistent with Corporate Real Estate Management's corporate-wide approach to COVID-19 related rent relief requests.
