

# WHAT PARENTS NEED TO KNOW

## IF SOMEONE AT SCHOOL TESTS POSITIVE FOR COVID-19

Parents will be notified but the person's identity will not be shared.

Not all students are at-risk if there is a positive case at school.

Public Health will follow up with close contacts, likely including the class cohort.

Close contacts will self-isolate for 14 days, monitor for symptoms & get tested.

Other people at school will monitor for symptoms but don't have to self-isolate.

Public Health will continue to monitor & notify parents/staff of risk as needed.
