	Total	7	0	0	

Data extracted from iPHIS November 19, 2020 at 2:00 pm

Includes only those outbreaks that are currently active. The number of cases and deaths are cumulative for each outbreak.

The hospitalizations are current.

Numbers reported may differ from others publicly available due to differing reporting sources and download times.

Please note these numbers are preliminary, and will continue to change as new information is received, and quality assurance work takes place.
