

Letter of Municipal Non-Objection for Temporary Physical Extension of Liquor Sales

At its meeting on June 29th, City Council authorized the General Manager, Transportation Services, when approving a sidewalk café, curb lane/parklet café or public parklet under the CaféTO program, to confirm that the City of Toronto does not object to the temporary physical extension of liquor sales under section 97(2) of regulation 719 under the Liquor Licence Act for that approved area and to withdraw this confirmation if the operator of a sidewalk café, curb lane/parklet café or public parklet, in the opinion of the General Manager, subsequently fails to comply with the CaféTO program, applicable City by-laws or policies, or orders under the Reopening Ontario Act. At its meeting on October 27th, City Council extended this authority, for cafés on the sidewalk only, until April 14, 2021.
