**The Effective Date Of This Collective Agreement Is January 1, 2012 Unless Otherwise Stated.**

**BETWEEN:**

**CITY OF TORONTO**  
herein called the "The City",

**OF THE FIRST PART,**

and

**THE CANADIAN UNION OF PUBLIC EMPLOYEES,**  
**LOCAL UNION No. 79(Part-Time Unit B)**  
herein called "Local 79",

**OF THE SECOND PART,**

**WHEREAS** the by-laws of Local 79 as approved provide that membership in Local 79 shall be open to those employees of the City as described in the Recognition article as hereinafter set forth; and

**WHEREAS** the City and Local 79 have mutually agreed to enter into and execute this Collective Agreement commencing from January 1st, 2012, to remain in force until and including the 31st day of December, 2015, and from year to year thereafter as herein provided;

**NOW THEREFORE, THIS AGREEMENT WITNESSETH** that in consideration of the premises the City and Local 79 hereby mutually covenant and agree as follows:

## **Article 1 DEFINITIONS**

- 1.01 "Service" is synonymous with seniority and shall be defined as all paid hours, to a maximum accumulation of 2,080 hours per calendar year.
- 1.02 "Shift worked on a designated holiday" means a shift where the majority of hours fall within the twenty-four (24) hour period of the holiday.

### **Conversion of Hours**

- 1.03 Where the terms "two thousand and eighty (2,080) paid hours", "one thousand and forty (1,040) paid hours", "eighty (80) hours" and "eight (8) hours" are used in this agreement, it shall be amended to read "one thousand, eight hundred and twenty (1,820) paid hours", "nine hundred and ten (910) paid hours", "seventy (70) hours" and "seven (7) hours" respectively for employees in classifications where the normal full-time hours are thirty-five (35) hours per week.
- 1.04 "Hours paid" and "paid hours" means all regular hours paid.

## **Article 2 RECOGNITION**

- 2.01 The City recognizes Local 79 as the sole bargaining agent for all part-time employees outside Long Term Care Homes and Services in the employ of the City save and except:
- (i) supervisors; and
  - (ii) persons above the rank of supervisor; and
  - (iii) employees who fall within any other bargaining unit; and
  - (iv) persons occupying positions in the office of the Mayor.
- 2.02 The "part-time employees" as set out in clause 2.01 above refers to employees performing duties for less than full-time hours, and those employees whose positions are found only in Unit B who perform duties for full-time hours on a seasonal basis.

**CLARITY NOTE 1:** Full-time employees classified as Temporary Employees who work on a seasonal basis within a position set forth in Schedule 1 of both this Collective Agreement and the Local 79 Full-time Collective Agreement shall be included in the Local 79 Full-Time Collective Agreement.

## **LETTER OF INTENT IDENTIFICATION OF "SEASONAL" EMPLOYEES**

The parties agree to meet immediately following ratification to confirm and identify employees that fall under Clarity Note 1. The parties shall meet to develop and establish criteria for identifying such employees. Any disputes that may arise may be the subject of a grievance at Step 3.

The City and the Union shall meet immediately following ratification to review the status of all part-time employees not covered under clarity note 1 who work full-time hours for less than a full year to review the feasibility of moving these employees into the Full-time Unit and where there is agreement of the parties the City shall move such employees. Any disputes that may arise may be the subject of a grievance at Step 3.

**CLARITY NOTE 2:** All employees grandparented by Article 10(a) and (b) of the Agreement incorporated into paragraph 13 of the Board order dated November 19, 1998, under OLRB File No. 1202-98-PS shall be excluded from this bargaining unit.

- 2.03 Whenever the City establishes a new non-union position specific to this unit, the Director of Employee and Labour Relations will, where practicable, provide Local 79 with thirty (30) calendar days written notice prior to the implementation of said position.

In the event that Local 79 is of the opinion that the position may come within the Local 79 Part-Time (Unit B) bargaining unit, Local 79 shall so notify the Director of Employee and Labour Relations within ten (10) working days of Local 79's receipt of the notice from the City. - 8.05 Subject to clauses 8.02, 8.03, and 8.04, where an employee is assigned to perform the regular duties of a higher-rated position and actually works sufficient aggregate time in such higher-rated position to qualify for an increment or an automatic adjustment, he/she shall be granted such increment effective the beginning of the pay period nearest the date on which he/she qualifies for the increment.
- An employee may qualify for any subsequent increments in the same manner as set out above and will begin to accumulate such aggregate qualifying time immediately following the effective date of the initial increment.

It is agreed and understood that the calculation of such hours shall include overtime hours.

## **LETTER OF INTENT RATE AND JOB CLASSIFICATION HARMONIZATION PROCESS**

The parties agree that the harmonization of wages and restructuring of job classifications must be completed as soon as reasonably possible. To effect this purpose, the parties agree to the following process to resolve and determine the issues in dispute.

1. The City and Local 79 will establish a Harmonization Committee within thirty (30) days following ratification of up to twenty (20) members, ten (10) appointed by each party and shall meet forthwith following the appointment of the Committee members. Local 79 members will receive their regular rate of pay for time spent in carrying out the Committee's responsibilities during their regular working hours.
2. Among the Committee's responsibilities shall be the following:
  - (a) the creation of new or merged job classifications from the existing classifications where, in the opinion of the Committee, it is appropriate or necessary to do so, and

- (b) the development and implementation of a process for determining the rates of pay for any new or merged job classifications.
3. The Committee may identify, by way of survey or otherwise, the core duties and responsibilities of, and all the relevant information in connection with job classifications and shall be provided with such information as is reasonably necessary to accomplish its purpose.
  4. Any resolved matters will be agreed upon in writing signed by the designated representatives of Local 79 and the City. Positions taken at the Committee by either party or their representatives are without prejudice to any position either party may take at Arbitration.
  5. The parties shall agree on the appointment of a mediator to assist them in reaching agreement and, failing agreement, as the chair of the Board of Arbitration set out below. The parties agree to share the costs of the mediator/arbitrator.
  6. The mediator will determine the process and procedure for mediation in consultation with the parties.
  7. If the parties have not reached an agreement on all of the wage rates and job classifications by December 31, 2000, or such later date as may be agreed upon in writing, either Local 79 or the City may refer the outstanding rates and classifications, including all matters relating to implementation dates (retroactivity) to a Board of Arbitration for a final and binding determination. The Board will be composed of one person nominated by each of the parties with the mediator as the Chair.
  8. Both parties will name their nominees to the Board of Arbitration within ten (10) calendar days of the referral, or such later date as the parties may agree in writing. The parties will co-operate to ensure that the hearing(s) will be held as soon as possible. To this end, the parties will ask the mediator/arbitrator immediately upon appointment to schedule at least twenty (20) days for hearings over the months of January, February and March 2001.
  9. The powers of the Board of Arbitration and all other matters in relation to the arbitration shall be as set out in Section 48 of the Labour Relations Act, 1995, S.O. 1995, as amended except as modified by paragraph 4 of the Memorandum of Agreement dated March 23, 2000.
  10. A draft decision of the Board of Arbitration on all outstanding wage rates and job classifications, including implementation dates (retroactivity) will be delivered to the parties as expeditiously as possible following the conclusion of the hearings. The parties will have fourteen (14) days from the date they receive the draft decision, or such longer period of time as they may agree in writing, to meet and agree on all such rates and classifications. These meetings may be with the assistance of the mediator/arbitrator if both parties wish. Failing agreement in that time, the draft decision of the Board of Arbitration shall become final and binding on all parties.

For clarity, job classifications which are found only in Unit B and not in the Local 79 Full-Time bargaining unit will be treated as a separate group of jobs for the purposes of rate and job classification harmonization.

#### **PRINCIPLES FOR HARMONIZATION**

1. All available information, including financial information, necessary for the Harmonization Committee to carry out its responsibilities will be provided by the City in full and on a timely basis. The mediator/arbitrator will have the jurisdiction to order the production of any such information.

2. The effective date for implementation, including retroactivity, if any, of any matter referred to arbitration is to be determined by the Board of Arbitration. However, where as a result of the harmonization process an employee's current wage rate is greater than the classification rate established for the employee, the employee shall continue to receive all negotiated wage increases and increment increases otherwise provided for under this Agreement. In addition, and for the sake of greater clarity, no employee shall suffer any reduction in the employee's current wage rate until the expiry of this Agreement and any extension of the terms and conditions of this Agreement by law. For the purpose of the renegotiation of this Agreement, it is understood that the wage rates shall be as determined by the Harmonization process.
3. It is agreed that as of the date of execution of this Agreement that the parties have not been able to identify and agree upon the methods to be used by the Harmonization Committee in carrying out its responsibilities as described in the Letter of Intent. Accordingly, if the Committee is unable to agree upon the methods, either party may advance before the Board of Arbitration whatever methods it considers appropriate.
4. The parties acknowledge that there are a number of outstanding wage rate issues currently pending under existing job evaluation programs/pay equity programs provided for either separately or under Collective Agreements which form part of the composite Collective Agreement. Accordingly, the parties agree that these issues shall continue to be processed and, if necessary, arbitrated under the terms of the appropriate Collective Agreement. For this purpose, the relevant Collective Agreements/ Pay Equity Plans will be considered continued until the outstanding issues have been concluded.

- 14.04 Local 79 will be advised in writing in the event that an employee is reassigned as a temporary employee in accordance with clause 14.01.

### **LETTER OF INTENT TEMPORARY FULL-TIME ASSIGNMENTS**

#### **1. Temporary Full-Time Assignments of Less Than Three (3) Months**

When management determines that a full-time assignment is available which is not filled by a full-time temporary employee, and which is anticipated to last for more than ten (10) working days but less than three (3) months, the temporary full-time assignment shall be offered to the senior Unit B employee provided he/she is qualified to perform the work required in the same classification in the same location.

##### **Children's Services Division**

In the Children's Services Division, such temporary full-time assignments will be offered to the senior Unit B employee who is qualified to perform the work, in the same pool as the centre in which the assignment became available.

##### **Shelters, Support and Housing Administration Division**

In Hostels, such temporary full-time assignments will be offered to the senior Unit B employee who is qualified to perform the work, in the same location in which the assignment became available. In Hostels, location is defined as the main program including satellite locations.

If the senior Unit B employee who is qualified to perform the work, indicates that he/she does not wish to accept the assignment, the offer will then be made to the next most senior Unit B employee who is qualified to perform the work, in the same classification, in the same location, in which the assignment has become available, in order of seniority provided he/she is qualified to perform the work, until the assignment is filled.

#### **2. Temporary Full-Time Assignments of Three (3) Months or More**

When management determines that a full-time assignment is available which is not filled by a full-time temporary employee, and which is anticipated to last for three (3) months or more but less than twelve (12) months, the temporary full-time assignment shall be offered to the senior Unit B employee who is qualified to perform the work required, in the same classification in the same Division.

##### **Children's Services Division**

Provided it is operationally feasible, school age Early Childhood Educators Grade 2's who are assigned to centres will be considered to be eligible for temporary full-time assignments anticipated to last for three (3) months or more but less than twelve (12) months, as though they were part of the ECE pool relating to their centre.

### **Shelters, Support and Housing Administration Division**

In Hostels, such temporary full-time assignments will be offered to the senior Unit B employee who is qualified to perform the work, in the same location in which the assignment became available. In Hostels, location is defined as the main program including satellite locations.

If the senior Unit B employee indicates that he/she does not wish to accept the assignment, the offer will then be made to the next most senior Unit B employee who is qualified to perform the work required, in the same classification, in the Division, in which the assignment has become available, in order of seniority until the assignment is filled.

3. Employees may refuse a temporary full-time assignment and still be considered for a subsequent assignment if such becomes available.

### **Children's Services Division**

In Children's Services, under 1 and 2 above, provided it is operationally feasible, Management will offer the type of assignment (infants, toddlers, pre-school/ kindergarten or school age) based on the employee(s)' qualifications and who have previously expressed the specific age group preference(s)/exclusion(s).

4. It is understood that assignments may arise on short notice. The City will make reasonable efforts to notify employee(s) of such temporary full-time assignments as far in advance as possible.
5. It is understood that assignments may not last as long as was originally expected, and that an assignment may be extended if required. An employee shall have the right to refuse an extension if such extension is two (2) days or less and would preclude the employee from being offered a subsequent temporary assignment. In either case, the City will attempt to notify the affected employee(s) as soon as possible.
6. Once an assignment has been offered and accepted, the employee will remain on that assignment even if a subsequent temporary assignment becomes available. Subject to paragraph 5, this shall not affect an employee's right to be offered a subsequent temporary full-time assignment, provided that the commencement of that assignment does not conflict with the assignment that the employee is currently filling. This also shall not affect an employee's right to apply for an opportunity under Article 15 of the Full-Time Collective Agreement.
7. Local 79 shall be notified in writing when an employee is initially assigned to a temporary full-time assignment for three (3) months or more in accordance with this Letter of Intent. Such initial notice shall include the employee's name, employee number, the classification of the employee and the expected duration of the assignment.
8. When an employee covered by the Unit B Part-Time Collective Agreement is appointed or promoted to a temporary assignment under Article 15 of the Full-Time Collective Agreement, or reassigned in accordance with clause 14.01, he/she shall be covered by the Full-time Collective Agreement.
9. Upon completion of the temporary assignment, and any extension thereof, an employee who was previously covered by Unit B, will be given the option of remaining covered by the Full-Time Collective Agreement or of returning back to the Unit B Part-Time Collective Agreement. Local 79 shall be notified in writing of the employee's election.
10. A temporary employee who elects to remain covered by the Full-Time Collective Agreement will be treated in accordance with Article 35.

11. A temporary employee who elects to return to the Unit B Part-Time Collective Agreement will carry back his/her accumulated seniority and service in accordance with Article 20 of the Full-Time Collective Agreement. Such employee will be returned to his/her former classification in the Unit B Part-Time Collective Agreement and be eligible for work as per Article 27, if such work is available.
12. It is understood and agreed that an employee covered by the Full-Time Collective Agreement who is not covered by paragraph 8 of this Letter of Intent, and who has been laid off in accordance with the provisions of the Full-Time Collective Agreement, and who is subsequently employed under the provisions of this Collective Agreement, shall lose his/her seniority but shall not lose his/her service or right of recall with respect to his/her full-time position.
13. Nothing in the foregoing shall limit management's right to determine whether a position will be filled or create an obligation to assign any full-time work to a Unit B employee instead of electing to have a temporary employee perform some or all of it.
14. Any disputes that may arise will first be referred to the Director of Employee and Labour Relations and the President of Local 79 who will discuss and attempt to resolve concerns, prior to the filing of a grievance by either party which shall be filed at Step 3.

Candidate evaluation forms

completed on a candidate for a specific position will have no relevancy to any other position for which an employee might apply. The Interview Panel is responsible for qualifying candidates for the position.

- 15.08 Within forty-five (45) days of notification of the results of his/her examination and upon request to the Executive Director of Human Resources, candidate(s) will receive feedback on his/her interview and/or review his/her test paper, by appointment with staff of the Human Resources Division.
- 15.09 Candidates who do not comply with the procedures and guidelines established for conducting examinations shall be disqualified from further consideration as a candidate.
- 15.10 Upon completion of the examination(s), the Executive Director of Human Resources will advise all candidates in writing of their results, and will forward to the Division concerned, in order of seniority, the names and seniority dates of the successful candidates for selection.
- 15.11(a) The selection decision will be based upon the criteria as set out in sub-clause 15.01(a) hereof. If other than the senior candidate(s) from the list of candidate(s) who meet the required qualifications is selected, the Division Head will advise the Executive Director of Human Resources in writing, giving reasonable justification for the selection of candidate(s) with less seniority. Such justification must demonstrate a fair and objective basis for the selection decision and for the separation between the successful candidate(s) and the unsuccessful senior candidate(s).
- 15.11(b) The Executive Director of Human Resources will notify all candidates who were not selected for the permanent position and/or temporary assignment. Where a less senior candidate is selected, candidates with greater seniority shall be provided with the Division Head's justification.
- 15.12(a) A list of the qualified candidates from each Job Posting shall be either:
  - (i) a Candidate List which shall only be valid for the filling of the posted permanent position and/or temporary assignment, or
  - (ii) an Eligibility List which shall be valid for the filling of future permanent positions and/or temporary assignments in the specific position(s) that were the subject of the Job Posting during the period that the Eligibility List is in effect.

Upon request an electronic list of qualified candidates and their seniority will be supplied to Local 79 for any specific job posting. The identity of non-Local 79 candidates will not be included.

- 15.12(b) The Candidate List or Eligibility List will be formed in accordance with clauses 15.04 or 15.10, as the case may be. Eligibility Lists will become effective upon receipt by the Division concerned. Subject to sub-clause (f) below, Eligibility Lists will be used to select the successful candidate for each successive permanent position and/or temporary assignment which arises during the period that the Eligibility List is in effect.
- 15.12(c) An Eligibility List shall remain in effect for six (6) months unless depleted before that time. If the Eligibility List is depleted, or upon the expiry of the six (6) months, whichever comes first, any permanent position and/or temporary assignment in question shall be the subject of further Job Posting(s).
- 15.12(d) Notwithstanding the first sentence of clause 15.01(a), further Job Postings shall not be issued for the permanent position and/or temporary assignment in question during the period the Eligibility List is in effect.

- 15.12(e) Each selection decision for the Job Posting shall be made in accordance with clause 15.11 from the candidates on the Candidates List or Eligibility List. Should a less senior candidate be chosen from the Candidate List or Eligibility list, the candidates with greater seniority shall be notified.
- 15.12(f) Candidates on the Eligibility List shall have the right to decline an offered permanent position and/or temporary assignment once. In the event that a candidate on the Eligibility List declines a second offered permanent position and/or temporary assignment, his/her name shall be struck from the Eligibility List and he/she shall not be considered for any future permanent positions and/or temporary assignment during the remainder of the period that the Eligibility List is in effect. In the event that all candidates on an Eligibility List decline the same offered permanent position and/or temporary assignment, the City shall have the right to fill the permanent position and/or temporary assignment externally without any obligation to re-post it.
- 15.12(g) Eligibility lists will only be established by the City in respect to Job Postings where:
  - (i) a large number of placements are anticipated in the specific permanent position and/or temporary assignment that are the subject of the Job Posting in question during the six (6) months following issue of the Job Posting;
  - (ii) a high turnover is anticipated in the specific permanent position and/or temporary assignment that is the subject of the Job Posting in question during the six (6) months following the issue of the Job Posting.

#### **Reversion Period**

- 15.13(a) All successful candidates in either a permanent position and/or temporary assignment shall be subject to a three (3) month assessment period which will be extended when an employee is absent in excess of ten (10) working days during the period of assessment. In this case, the assessment period will be extended by the length of the absence.
- 15.13(b) A joint performance review will be conducted between the employee and the Division Head after the employee's first six (6) weeks in his/her new permanent position and/or temporary assignment to evaluate the employee's performance and suitability or to determine the possibility of reversion.
- 15.13(c) Should the permanent position and/or temporary assignment be confirmed, the three (3) month assessment period shall count toward the six (6) month probationary period defined in Article 4 if said employee had not completed such period prior to promotion.
- 15.13(d) Should a reversion be necessary, the three (3) month assessment period or any part thereof served in his/her new permanent position and/or temporary assignment shall not count towards the six (6) month Probationary Period if said employee had not completed his/her Probationary Period prior to promotion as set out in Article 4.
- 15.14(a) Should a reversion be necessary or requested by an employee who was a permanent employee prior to his/her promotion to either a permanent position or temporary assignment, the employee shall be reverted to his/her former position and wage rate, if the position has not been filled during the interim period. If the former position has been filled, the employee will be reverted to a position reflecting the wage rate earned by the employee prior to the placement. The time served in the position prior to his/her promotion to either a permanent position or temporary assignment will count towards

the service required to qualify for an increment as set out in clauses 6.03 and 6.04 of Article 6.

- 15.14(b) Should no substitute position be available for such permanent employee, a supernumerary position at the pre-placement wage rate will be created for the employee until such time as a position becomes available. The time served in his/her former position prior to his/her promotion to either a permanent position or temporary assignment will count towards the service required to qualify for an increment as set out in clauses 6.03 and 6.04 of Article 6.
- 15.15 Any employee who is no longer capable of performing his/her full required duties by reason of disability, may be placed in a suitable position, if such position is available, on the recommendation of the Executive Director of Human Resources without regard to the other clauses of this Article.

### **Scheduling of Examinations**

- 15.16 Whenever possible, examinations will be held during working hours. The Division Head will grant leave of absence with pay to those employees in the Division who have made application for and have been accepted for admission to such examinations. For employees subject to shift work, every effort will be made by the Division Head to re-schedule the employees so that the employees will not be required to work a shift immediately before or after an examination.

### **LETTER OF INTENT ELECTRONIC JOB POSTINGS - PILOT**

The parties agree to meet within sixty (60) days of ratification to identify and agree on those City work locations to be part of this trial process. Only work locations where all employees covered by a Local 79 Agreement work at a City computer to perform their duties will be selected.

The employees within the identified work locations will be notified thirty (30) days before the implementation of the pilot. Until the date of implementation the current practice of job postings shall continue.

Job Postings will be released electronically on the City's intranet, on the same day they are issued to other work locations through hard copy. The Executive Director of Human Resources shall ensure that notices of all job postings are sent to the employees in the identified work locations to his/her City email address.

The Pilot will continue for one (1) calendar year from the date of implementation within the identified work locations. At the end of one (1) year the parties agree to meet and discuss the continuation or the expansion of the Pilot to other work locations by mutual agreement.

The parties agree that this Pilot does not alter the terms and conditions of Article 15 except as provided herein.

Any issues arising out of the implementation of the Pilot will be referred to the President of Local 79 and the Director of Employee and Labour Relations who will discuss and attempt to resolve the issues. Should the parties be unable to find resolution, the Pilot may be terminated by either party with thirty (30) days written notice.

**MEMORANDUM OF AGREEMENT**

BETWEEN:

**CANADIAN UNION OF PUBLIC EMPLOYEES, LOCAL 79**  
(hereinafter "Local 79")

- and -

**CITY OF TORONTO**  
(hereinafter the "City")

**WHEREAS** pursuant to the Memorandum of Agreement Local 79 and the City agreed to develop a process to ensure employees and/or positions are placed in the appropriate bargaining unit.

**AND WHEREAS** Local 79 and the City have met to develop a process to determine whether employees and/or positions should be placed in the full-time bargaining unit.

**NOW THEREFORE** Local 79 and the City agree as follows:

1. At such time as the Director of Employee and Labour Relations or his/her designate is notified by Local 79, a Local 79 member or a member of management that a Local 79 member in one of the part-time units may, in fact, be a full-time employee, a review will be conducted. Such review shall take place to determine whether the employee has worked full-time in accordance with clause 2 below and whether the employee will continue to be scheduled for full-time work. In determining whether an employee will continue to be scheduled for full-time work, the following shall apply:

In all cases, the employee shall be considered as continuing to be scheduled for full-time work unless the department provides in writing to Local 79 and the employee reasonable justification supportive of a claim that the employee will not continue to be scheduled for full-time work.

2. (a) An employee shall be deemed to work full-time hours if the employee has worked a minimum of thirty-five (35)/forty (40) hours per week, fifty-two (52) weeks per year, inclusive of sick time, vacation and statutory holidays and any other leaves of absence, approved in writing, for the twelve (12) consecutive month period preceding the review. All hours worked must be in one classification, in one part-time unit and be exclusive of overtime.
- (b) Time missed solely due to the receipt of WSIB benefits or as a result of a pregnancy/parental leave shall not break the 12 consecutive month period but shall be added to such period.
3. Where it is determined that an employee is to be placed under the Full-Time Collective Agreement, the following will apply:
  - (a) The employee will be moved to the full-time unit as of the date of agreement in writing that they work full-time and will be entitled to the rights and privileges accorded in the Full-Time Local 79 Collective Agreement, including enrolment in the City's health benefits plan. Enrolment in the pension plan will be in accordance with OMERS regulations.

- (b) In the first year the employee is moved into the full-time unit his/her vacation will be calculated in accordance with the provisions outlined in the letter to Anne Dubas, dated November 27, 2000 regarding Temporary Employees' Transition from Vacation Pay to Paid Vacation Days. The dates in that letter will be amended, as necessary, to reflect the year the employee is moved into the full-time unit.
  - (c) The employee will have placed to his/her credit, eighteen (18) sick days.
  - (d) Service and seniority will be brought into the full-time unit in accordance with clause 20.06(a) and calculated in accordance with clause 20.06(b) of the Full-Time Collective Agreement.
4. The classification occupied by the employee upon placement of the employee under the Full-Time Collective Agreement shall be included under the Full-Time Collective Agreement.
- (a) If the employee to be moved to the full-time unit appears to be performing duties that mirror an existing position in the full-time unit the City is willing to review the employee's duties. If it is confirmed that they are, in fact, substantially performing the duties of a position that already exists in the full-time unit, the person will be reclassified and paid in accordance with the appropriate wage grade.
  - (b) If the employee is mis-classified, e.g. they are classified as a skating instructor and they are actually a dance instructor and neither classification exists in the full-time unit the employee will be moved over as a skating instructor and retain their salary. Local 79 will inform the Compensation Division of the mis-classification and Compensation will make the correction prior to harmonization.
  - (c) If the employee is correctly classified in the part-time unit e.g. Square Dance Caller, but there is no mirror position in the full-time unit, the person will be moved over as a Square Dance Caller and take their salary with them.
5. The parties agree that if an employee and his/her classification are moved into the full-time unit this will not constitute a new or changed classification as contemplated in the provisions of clause 6.04 of the Full-Time Collective Agreement.
6. Employees deemed to be full-time in accordance with 1 above, shall move into the full-time unit as a temporary employee. As soon as possible thereafter a review of the status of the employee will take place. If the review determines that the employee has been continuously employed in the same position full-time for longer than two (2) years prior to movement into the full-time unit the employee will become a permanent employee and confirmed in the position unless the position is one to which a permanent employee has a claim or the position is expected to be eliminated in the near future.

It is understood that the job posting provisions of the agreement will not apply in this situation.

If, following movement into the full-time unit, the temporary employee has been continuously employed in the same position for longer than one (1) year, the status of the position will be reviewed with Local 79 and the City and if the position is considered permanent, the position will be posted in accordance with Article 15, (Job Postings)

7. The classifications of the employees moved into the full-time unit will not be used during wage harmonization of the full-time unit classifications nor the wage harmonization in the part-time unit the employee was transferred from. Instead, after wage harmonization of the full-time unit and the part-time unit the group of

employees who have moved into the full-time unit through this process will be looked at separately for wage harmonization.

8. The parties recognize the need on a continuing basis to ensure that employees are placed in the appropriate bargaining unit and, accordingly, agree that on an annual basis the City shall provide to Local 79 for its review a detailed listing of all employees covered by Local 79 Part-Time Collective Agreements with as much work-related detail as possible.
9. If at any time the parties find it necessary to amend the terms of this Agreement in order to address any unanticipated matters that may arise, the parties agree to meet to discuss any such matter(s) and provided there is mutual agreement, effect any such amendments(s) that may be appropriate.
10. Should any concerns or disputes arise out of the operation of this Letter of Intent, the Director of Employee and Labour Relations or his/her designate shall meet with the representatives of Local 79 within ten (10) calendar days of the receipt of the concerns or disputes.
11. Any dispute concerning the interpretation, application or administration of this Agreement including but not limited to whether an employee should be placed under the Full-Time Collective Agreement shall be dealt with in accordance with the grievance and arbitration provisions of the Full-Time Collective Agreement.

**MEMORANDUM OF AGREEMENT**

("the Union")

RE: EARLY CHILDHOOD EDUCATOR GRADE II (ECE II) POOL SCHEDULING  
CHILDREN'S SERVICES DIVISION

The following Pool Scheduling for Early Childhood Educators Grade II (ECE II) schedule shall remain in effect until such time as the City determines it is operationally desirable to amend and/or discontinue it.

The City will provide Local 79 with thirty (30) days notice prior to amending and/or deleting this schedule. Within five (5) days of the date on which the City provides the Union with notice, the Union may request a meeting with the City in order to discuss any issues arising out of any such change.

This Memorandum shall not form part of the Collective Agreement and shall terminate on December 31, 2013.

Following the termination of this Memorandum, changes to the Early Childhood Educator Grade II (ECE II) Pool Schedule will be implemented in accordance with Article 27 of the CUPE Local 79, Unit B Part-Time Collective Agreement.

EARLY CHILDHOOD EDUCATOR GRADE II (ECE II) POOL SCHEDULING  
CHILDREN'S SERVICES DIVISION

1. Each ECE II assigned to a pool shall indicate in writing on a form provided:
  - (a) his/her availability to work between the hours of 7:00 a.m. to 6:00 p.m.
  - (b) his/her availability to work partial shifts of less than seven (7) hours
  - (c) the days of the week on which he/she is available for work
  - (d) the age group(s) with which he/she is prepared to work
  - (e) any sites (within the employee's assigned pool) at which he/she does not wish to be assigned to work.

Taken together, these will constitute the employee's "availability" for the purpose of offering work.

2. Employees may change their availability by submitting an amended availability form to the Staffing Supervisor or designate. A minimum of one week's written notice of any change in availability is necessary and must be submitted before the schedule for the following week is prepared. Longer notice would be preferable.

3. The seniority of the employees will be determined in accordance with clause 12.03 (as updated three times annually on or about January 1, May 1, and September 1).
4. Respecting the part-time nature of Unit B, it is understood that no employee can work more than the equivalent of eight (8) days/fifty six (56) hours per pay period.
5. When the Staffing Supervisor or designate is unable to contact an ECE II to offer work, the work will then be offered to the next most senior employee. The Staffing Supervisor or designate shall wait a reasonable amount of time for the employee to acknowledge acceptance of the work.
6. It is agreed that once an assignment has been offered and accepted, the employee will remain on that assignment, even if another assignment later becomes available, it being understood that “assignment” herein does not include Full-time Temporary Assignments under Article 14.
7. It is understood that an assignment may not last as long as was originally expected (for example, if an absent employee returns to work earlier than anticipated).
8. Work will be assigned in each pool by seniority in two different streams (“Known Available Work” and “Call-In Work”), beginning with Known Available Work.
9. Definitions:

“Known Available Work” is the work that is known to be available as determined on the Thursday prior to the week in which it is available.

“Known Available Work” can be for a partial day (less than seven (7) hours) to five (5) days (thirty five (35) hours) and the nature of the work is that it is known in advance. Employee(s) shall have the right to decline assignments offered which include one (1) or more shifts that are less than a full shift (i.e., seven (7) hours) and retain his/her right to be offered the next largest assignment of known work.

“Call-in Work” is work that is not known to be available by 6:00 p.m. on a Thursday for the following week. “Call-in Work” can be for a partial day (less than seven (7) hours) to five (5) days (thirty five (35) hours) and the nature of the work is that it is without notice.

10. Known Available Work for the Following Week (for Week 1)
  - (a) When the Staffing Supervisor or designate receives notice prior to 6:00 p.m. on Thursday of the work which will be available in the following week (Week 1), as early as feasible on Friday, he/she will offer the most senior ECE II in the pool the largest assignment which is consistent with his/her availability, up to a maximum of thirty five (35) hours for Week 1. For this purpose, assignments at the same site may be combined in one offer (consecutive days or not). Assignments at different sites within the pool that do not overlap (e.g. Monday – Tuesday at one site and Thursday at another site) may also be combined in one offer. This could include assignments that are for different age groups or replacing different absent staff.
  - (b) The Staffing Supervisor or designate will offer the next largest assignment to the next most senior ECE II consistent with his/her availability, up to a maximum of thirty five (35) hours for Week 1, and so on until the known available work for Week 1 has been offered to members of the pool in order of seniority, consistent with their availability.
  - (c) If a senior ECE II's availability does not allow him/her to be offered the largest assignment available at that time, and that assignment is therefore offered to the next most senior employee, the more senior “skipped” ECE II will be offered the next largest assignment consistent with his/her availability, if one is available, before it is offered to another employee.

#### Call-In Work (During Week 1)

- (d) Once all the known available work for Week 1 has been offered in accordance with the foregoing procedure, the second stream of assignments (call-in work which occurs during Week 1) will be offered in order of seniority, beginning with the most senior employee next in line after the first stream was complete.
- (e) As Week 1 actually unfolds (including assignments which are communicated to the Staffing Supervisor or designate on Friday of the preceding week), call-in work would go to the most senior person in order on the list:
  - who is available for the assignment and
  - has not been scheduled for any work in that week.
- (f) If additional work is still available after the remaining members of the pool have been contacted, it may be offered to employees who have already been assigned work, provided that they are available for the additional work.

#### Known Available Work for the Following Week (For Week 2)

- (g) When the Staffing Supervisor or designate receives notice, prior to 6:00 p.m. on Thursday, of the work which will be available in the following week (Week 2), as early as feasible on Friday, beginning with the first ECE II in the pool who was not assigned known available work in the preceding week (Week 1), he/she will offer that ECE II the largest assignment which is consistent with his/her availability to the maximum hours of work for the pay period (as per number 4 above). For this purpose, assignments at the same site may be combined in one offer (consecutive or not). Assignments at different sites within the pool that do not overlap (e.g. Monday – Tuesday at one site and Thursday at another site) may also be combined in one offer. This could include assignments that are for different age groups or replacing different absent staff.
- (h) The Staffing Supervisor or designate will offer the next largest assignment to the next most senior ECE II consistent with his/her availability, to the maximum hours of work for the pay period (as per number 4 above), and so on until the known available work for Week 2 has been offered to members of the pool in order of seniority, consistent with their availability.
- (i) If a senior ECE II's availability does not allow him/her to be offered the largest assignment available at that time, and that assignment is therefore offered to the next most senior employee, the more senior "skipped" ECE II will be offered the next largest assignment consistent with his/her availability to the maximum hours of work for the pay period (as per number 4 above), if one is available, before it is offered to another employee.

#### Call-In Work (During Week 2)

- (j) Once all the known available work for Week 2 has been offered in accordance with the foregoing procedure, the second stream of assignments (call-in work which occurs during Week 2) will be offered in order of seniority, beginning with the most senior employee next in line after the first stream was complete.
- (k) As Week 2 actually unfolds (including assignments which are communicated to the Staffing Supervisor or designate on Friday of Week 1), call-in work would go to the most senior person in order on the list:
  - who is available for the assignment and
  - has not been scheduled for any work in that week
  - has not exceeded the maximum hours of work for the pay period (as per number 4 above).

- (l) If additional work is still available after the remaining members of the pool have been contacted, it may be offered to employees who have already been assigned work, provided that they are available for the additional work and have not exceeded the maximum hours of work for the pay period (as per number 4 above).
- 11. The foregoing pattern will continue on a rotating basis, ensuring that employees have access by seniority to both known available work and call-in work, until the list has been exhausted or for a period of up to four (4) weeks, whichever comes first, at which time the schedule will commence again at Week 1 beginning with the most senior employee. The sequence of work offers for both known and call-in work by pool will be prepared and accessible to the employees as early as feasible on Friday of each week.
- 12. Nothing in this Letter of Intent shall affect or limit management's ability to utilize full-time staff (temporary or permanent) or its rights to utilize the Trial Program–Children's Services (Article 14).

**RE: CHILD CARE AIDE (CCA) SITE-SPECIFIC SCHEDULING CHILDREN'S SERVICES DIVISION**

The following Child Care Aide (CCA) Site-Specific schedule shall remain in effect until such time as the City determines it is operationally desirable to amend and/or discontinue it.

The City will provide Local 79 with thirty (30) days notice prior to amending and/or deleting this schedule. Within five (5) days of the date on which the City provides the Union with notice, the Union may request a meeting with the City in order to discuss any issues arising out of any such change.

This Memorandum shall not form part of the Collective Agreement and shall terminate on December 31, 2013.

Following the termination of this Memorandum, changes to the Child Care Aide (CCA) Site-Specific schedule will be implemented in accordance with Article 27 of the CUPE Local 79, Unit B Part-time Collective Agreement.

- 1. Each Child Care Aide (CCA) with regularly assigned hours of work assigned to a Centre will indicate in writing on a form provided:
  - (a) His/her availability to work morning and/or afternoon hours;
  - (b) His/her preference(s) as to age group.

2. Employees may change their availability by submitting an amended availability form to the Centre Supervisor. A minimum of one week's written notice of any change in availability is necessary and must be submitted before the schedule for the following week is prepared. Longer notice would be preferable.
3. The Centre Supervisor will determine the level of CCA staffing which is anticipated to be required in the following week, and post a schedule by Thursday of the week before the schedule is in effect.
4. In the event that a regularly assigned CCA is absent, wherever possible the work will be first offered to the other CCA's assigned to that Centre (and not already scheduled for conflicting hours), in order of seniority, where practicable, provided that the employee has indicated a willingness and has the ability to work with the age group in which the work is available.
5. The seniority of the employees will be determined in accordance with Clause 12.03.
6. It is understood that changes in arrival/departure times, other than employees arriving later/leaving earlier, delays in children's busing to/from school, inclement weather, etc., may result in CCAs being asked to work longer than initially scheduled from time to time.
7. When additional regularly assigned work becomes available in a Child Care Site (for example, as a result of increases in enrolment, changes in attendance patterns, or because a CCA has left), it will be first offered to the other Unit B employees in that classification working at that Centre, in order of seniority, provided that the employee has indicated a willingness and has the ability to work with the age group in which work is available.
8. It is also understood that circumstances may affect the amount of work available from week to week, or indefinitely. Examples would include changes in enrolment patterns, arrival/departure times, full-time staff shift arrangements, attendance patterns, or the impact of illness on the Site. When the amount of work decreases, the remaining work will be allocated each week to CCAs on the basis of seniority, subject to the employee's willingness and ability to work with the age group in which the work is available.

### **Bulletin Boards**

Dedicated space on bulletin boards will be made available to the Union for the posting of official Union notices in convenient locations determined by the City and the Union. Such bulletin boards shall be in areas where employees will have access to them. The Union shall have the right to post notices of meetings and such other notices as may be of interest to its members. Problems may be identified by either party and shall be the subject of discussion.

The following Article from the Local 79 Full-Time Collective Agreement is appended hereto for information purposes only. Entitlement to any of these benefits will be determined by the terms of the Part-Time Collective Agreement.

**Article 12**  
**EXTENDED HEALTH CARE/DENTAL/GROUP LIFE AND**  
**LONG TERM DISABILITY INSURANCE**

An employee of the City of Toronto is eligible to be a candidate for and to be elected as a member of the City of Toronto Council.

Any employee who is a candidate for office for the City of Toronto Council must take an unpaid leave of absence. The leave begins before the employee files his/her nomination papers and ends on voting day.

The employee shall give his/her manager written notice at least two weeks in advance of his or her intention to take unpaid leave.

These conditions are mandated by subsections 30(1), (2) and (3) of the *Municipal Elections Act, 1996*.

*Employees seeking election to other municipal councils and school boards*

An employee of the City of Toronto is eligible to be a candidate for and to be elected as a member of any school board or of any municipal council other than the City of Toronto Council.

If an employee needs time off work, he/she may use available vacation or lieu time as well as unpaid time.

If the employee intends to take unpaid leave, he/she must give his/her manager written notice at least two weeks in advance.

*Employees seeking election to provincial and federal office*

An employee of the City of Toronto is eligible to be a candidate for and to be elected as a member of the provincial or federal parliament.

The employee shall give his/her manager written notice at least two weeks in advance of his or her intention to take unpaid leave.

*Employment Status after election*

Under the terms of the City's Policy on Employee Participation in Municipal Election Campaigns, staff who are working on behalf of a municipal candidate may not use any of the City's resources (e.g. office equipment, supplies etc.) for campaigning activities at any time before, during or after the election. This prohibition also applies to the City employee if he/she is the candidate.

City staff who are on leave seeking election to any elected office cannot use, or act in a manner that could reasonably give rise to a presumption that they are using, any City resources during their campaign period. ## **Conditions**

### ***Requirement for medical certificate***

An employee is entitled to a leave of absence without pay of up to eight weeks to provide care or support to a family member, if a qualified health practitioner issues a certificate stating that the individual has a serious medical condition with a significant risk of death occurring within a period of 26 weeks or a shorter period.

### ***Duration of leave***

When the health practitioner issues a certificate, an employee may take the Family Medical Leave within the 26-week period specified in the medical certificate. For example an employee may begin the leave as soon as the certificate is issued or may choose to wait to start the leave, as long as the leave does not extend beyond the designated end of the 26-week period.

The employee may remain on a leave for eight weeks or the last day of the week in which the family member dies.

The eight (8) weeks of a Family Medical Leave do not have to be taken consecutively but an employee may only take a leave in periods of entire weeks.

“Week” is defined for Family Medical Leave purposes as a period of seven consecutive days beginning on a Sunday and ending on a Saturday. Week is defined in this way to correspond with the beginning and end of the week set for Employment Insurance (EI) entitlement purposes.

### ***Sharing the leave***

If two or more employees (employed by the same or different organisations) take this leave to provide care and support for a specific family member, the eight weeks of Family Medical Leave must be shared between them. For example if one spouse takes six weeks to care for his or her child, the other spouse would be able to take only two weeks of Family Medical Leave.

### ***Extension of leave***

If employees request an extension beyond the eight weeks leave, they must submit a written request to their supervisor. The supervisor decides if this extension can be granted. If the request is approved, the extended leave can be covered by vacation, Voluntary Leave, Leave without Pay as well as personal leave provisions contained in the applicable collective agreements.

### ***Subsequent leaves***

If an employee takes a leave and the family member does not die within 26 weeks, the employee may take another leave at a later time and requires another medical certificate for that purpose.

### ***Employment Insurance Benefits***

All employees covered under the Employment Standards Act are entitled to take a Family Medical Leave. Those employees who qualify can also access Compassionate Care Employment Insurance (EI) benefits for up to six weeks.

In order to access these benefits, employees must serve a two-week unpaid waiting period.

Employees entitled to EI benefits can apply for employment insurance. Employees are required to provide a medical certificate to Employment Insurance in order to receive the benefit. The medical certificate can be found on the EI website.

Employment Insurance permits the sharing of the six-week benefit by two or more working members of the family. If the benefit is shared, only one employee serves the waiting period.

Employees may take the eight-week leave all at once or divide it into parts with a minimum of one-week segments.

Note: For details on eligibility on employment insurance benefits refer to the Employment Insurance (EI) Compassionate Care Benefits website (see link below)

### **Examples**

- Jane takes leave from Sunday August 8th to October 2nd and returns to work on October 4th, having completed the eight-week leave with six weeks EI benefit.
- Abdul takes leave from August 8th to September 4th and returns to work on September 6th. (Four weeks: two-week waiting period and two-week leave with benefit). Abdul takes further leave from September 19th to October 2nd and returns to work October 4th (two-week leave with benefit). Abdul takes further leave from November 14th to November 27th and returns to work on November 29th (two-week leave with benefit).
- Julia takes leave from October 10th to October 30th and returns to work on November 1st. She takes three weeks leave with benefit. Her brother had previously taken leave with three weeks benefit and had served the waiting period.

The EI benefits can be paid regardless of where the family member lives. If employees are required to travel to other countries to look after a dying family member, they are still entitled to the benefit and can access the benefit by application through the Internet.

The EI benefit ends at the end of the week in which the person dies if this occurs during the benefit period.

## **Salary & Benefits**

### **Benefits**

Basic benefits coverage (health, dental, group life insurance, STD and LTD) continues during Family Medical Leave.

Benefit coverage for part-time employees continues to be on a pro-rated basis.

Employees are responsible for premiums that they would normally pay for benefits that are not covered by the basic plan, for example additional coverage for group life insurance.

***Pension***

If employees want to maintain pension service credits they must pay their pension contributions for the duration of the leave. The city will match these contributions.

***Vacation***

Employees' annual vacation entitlement is not affected by this leave.

***Sick Pay***

Employees, who accumulate sick leave credits, continue to earn sick credits during the period of leave.

***Service and Seniority***

Employees accumulate full service and seniority during the leave. However, Family Medical Leave days are not counted towards the completion of the probationary period.

***Increments and Pay for Performance***

Bargaining unit employees' increments are not affected by this leave.

Non-union employees receive the full merit level increase based on their performance for the duration of the Family Medical Leave. Any further leave without pay is subject to proration of the merit level increase and market rate adjustment.

Category: **Absence From Work**

<b>Policy Statement</b>	This policy allows employees who wish to take an extended period of leave for personal reasons to do so.
<b>Application</b>	<p>All employees listed below are eligible for Leave without pay.</p> <ul style="list-style-type: none"><li>• Non-union full-time permanent employees who have completed their probationary period</li><li>• CUPE local 79 employees</li><li>• CUPE local 416 employees</li></ul>
<b>Definitions</b>	<p><i>Leave without Pay</i>: an authorized leave for up to a year without pay or benefits.</p>
<b>Conditions</b>	<p>Employees may apply for a leave period of up to one year.</p> <p>An employee must give notice of leave to his/her executive director/division head to give the division time to plan for the employee's extended absence. The minimum advance notice should be one month.</p> <p>Employees may apply for a <u>leave without pay</u> at any time of the year.</p> <p>The leave of absence must be approved by an employee's executive director/general manager/division head or designate. When he/she receives a request, he/she may:</p> <ul style="list-style-type: none"><li>• approve the request</li><li>• approve the request but defer the leave</li><li>• deny the request.</li></ul> <p>The executive director/general manager/division head or designate must send written approval, deferral or denial of the request to the applicant. If the request is deferred or denied he/she must explain the reasons to the employee and indicate whether the employee's request can be granted at some future date.</p> <p>The executive director/general manager/division head or designate should evaluate applications on the basis of consistent criteria to ensure employees are treated in a fair and equitable manner. In a situation where a number of employees within the same division or section apply for leave at the same time the executive director/general manager/division head or designate may need more information to prioritize requests. <i>Guidelines for Assessing Competing Requests</i> are included in this policy under the Implementation section.</p> <p>The terms of the plan leave are documented and agreed to by both parties, when a leave is approved. This can be changed only by mutual consent.</p>

### *Return from leave*

An employee returning from leave without pay will return to his/her former position or a suitable alternate position if available.

While an employee is on leave a position may be filled with acting or temporary staff, or left vacant.

## **Implementation**

### *Guidelines for Assessing Competing Requests for Leaves*

On some occasions, two or more employees may request leaves at the same time. If it is not possible to accommodate all applicants, an attempt should be made to negotiate some satisfactory alternative schedule with the parties involved. If no satisfactory resolution can be obtained, the following criteria may be taken into account when making the decision.

Priority should be given to employees requesting a leave under the following circumstances:

- an employee plans to use the leave as a means of easing the transition to full retirement
- a leave is being requested on “compassionate” grounds, for example to provide care to an ill family member
- an employee has been appointed to a leadership position with a professional or volunteer organization, and requires a leave in order to take the position
- a leave has been requested for a specific time-dated activity that cannot easily be postponed (e.g. attendance at a course of studies).

The executive director/general manager/division head or designate may also wish to take the following factors into account when determining priority among competing requests:

- a leave date has been requested to co-ordinate with that of other family members
- a leave date has been requested to provide for a specifically seasonal activity.

If it is not possible to resolve the situation given these factors, it is recommended that an objective criterion such as date of application be used to determine priority.

## **Salary & Benefits**

### *Benefits*

This is a leave without pay and at no cost to the city. An employee has the option of discontinuing benefits or maintaining all benefits coverage at his/her own expense. An election form must be completed prior to the commencement of the leave and the employee must pay the benefit premiums before the leave begins.

### *OMERS Pension*

A leave without pay is a break in service. If an employee wants to maintain pension service credits he/she must pay both the employee's and city's pension contributions for the

duration of the leave. An election form will be forwarded to the employee following the completion of the leave.

*Vacation*

Vacation is reduced for the period of the leave taken, on a pro-rated basis. For example, if an employee is on leave for six months he/she does not earn any vacation during the period on leave but earns vacation for the balance of that year. The period of leave is not counted towards service requirements for calculating increases in vacation entitlements.

*Canada Pension Plan and Employment Insurance*

On a leave without pay an employee does not contribute to the Canada Pension Plan or employment insurance and the leave period is not counted as insurable employment. If this is of concern to an employee he/she should check the implications of his/her particular situation by contacting his/her local Employment Insurance Commission office.

*Sick pay*

No sick pay is accrued during the leave.

# Tuition Assistance Reimbursement

Category: **Employee Development**

### Policy Statement

The City of Toronto is committed to a work environment that encourages continuous learning as a means of maintaining a competent workforce which provides a high standard of service to the public. The City is also committed to developing its employees to become more knowledgeable, competent and high performing members of the Toronto Public Service.

The Learning Strategy outlines a systematic and comprehensive plan for training and developing the Toronto Public Service. Its main objective is to support the People Plan goal of “We will be a learning organization”. In support of this objective the City provides tuition assistance reimbursement to employees who wish to improve/enhance their competencies and contribute positively to strengthen the Toronto Public Service.

### Application

All permanent full-time and permanent part-time employees, and full-time temporary employees with one year's service.

### Definitions

Work related training/development: this applies to courses other than those offered internally by the City that:

- provide skills and/or knowledge relevant to an employee's current position in the organization.
- provide skills and/or knowledge relevant to an employee's current or future position at the City in an employee's current or related field of work.
- provide skills and/or knowledge relevant to an employee's contribution to a strengthened Toronto Public Service through alignment with the City's People Plan and Learning Strategy objectives:
  - o develop a flexible and adaptable workforce
  - o expand skill sets for targeted positions
  - o develop competencies
  - o develop transferable skills
  - o develop a capable and diverse Toronto Public Service

### Conditions

The request for tuition reimbursement must be initiated by the employee.

Employees must attend courses on non-work time.

The course(s) requested must be work-related and consistent with the employee's career plans as discussed with their manager.

Courses must be delivered by a bonafide educational institution, agency or proprietor of continuous learning

services. Courses that are eligible include, but are not limited to, post-secondary education through community colleges and universities (undergraduate and graduate level programs), accreditations related to trades and vocations, and professional designations and certifications.

Classroom and e-learning programs through distance learning and correspondence courses are acceptable.

Tuition assistance reimbursement is limited to 80 percent of the total cost of tuition, student fees, course materials, books, and examination fees. Parking fees and other incidentals will not be reimbursed.

Tuition assistance reimbursement is limited to a maximum of \$1,500.00 (Canadian) per calendar year (January 1 – December 31) per employee. The actual amount any one individual may receive will be based on the available budget, divisional business priorities, the principle of equitable access to available funds, and anticipated demand.

Requests for tuition assistance reimbursement must be approved by the Division Head or designate of the employee's division.

## **Implementation**

Funds for tuition reimbursement are budgeted by each division to meet the continuous learning needs of its employees.

Standard application forms must be completed and submitted for approval to the Division Head or designate in the employee's division. The form requires employees to include a description of how the course content contributes to their knowledge, competence, and/or career development plans. The form must be signed by the Division Head or designate to ensure that (1) divisional funds are available and (2) the request reflects the employee's performance development goals.

Employees must receive approval for a course before enrolling in order to be reimbursed.

To be reimbursed, employees are required to submit through their normal disbursement process, proof of attendance, a receipt for payment of tuition, student fees, course materials, books, examination fees, and evidence of successful completion, i.e., passing grade of the course. The institution/agency/proprietor providing the course determines a passing grade.

An employee's yearly eligibility amount is credited based on the calendar year in which the employee is reimbursed. For example, a course that starts in the fall of one year and stretches to the spring of the next will count as reimbursement credited for the year in which the disbursement is processed.

## **Exception**

Under special circumstances, requests can be made for exceptions to one or more of the conditions outlined in order to participate in corporate programs or based on a bona fide occupational or corporate requirement.

Requests for exceptions with full justification will be endorsed by each respective Division Head and presented to the Executive Director of Human Resources for approval.

**Responsibility** Division head or designate.
