## Slope Stabilization and Watermain Replacement on Rowntree Mill Road from Emily Avenue to 130 Rowntree Mill Road

**Contract: 20ECS-TI-101LR**

**Start Date: October 5, 2020**

**End Date: July 2021**

**Winter Break: November 30, 2020 to March 28, 2021**

*Timeline is subject to change.*

In October, the City started construction to replace the watermain and stabilize the slope on Rowntree Mill Road from Emily Avenue to 130 Rowntree Mill Road.

As noted in the Construction Notice, the work will pause for the winter season. The remaining work will resume in spring 2021.

In order to make the site safe for the winter, the City's contractor will fill any open excavations and temporarily restore affected driveways. Construction Update #2 will be provided before the work starts again in 2021.

### WORK DETAILS

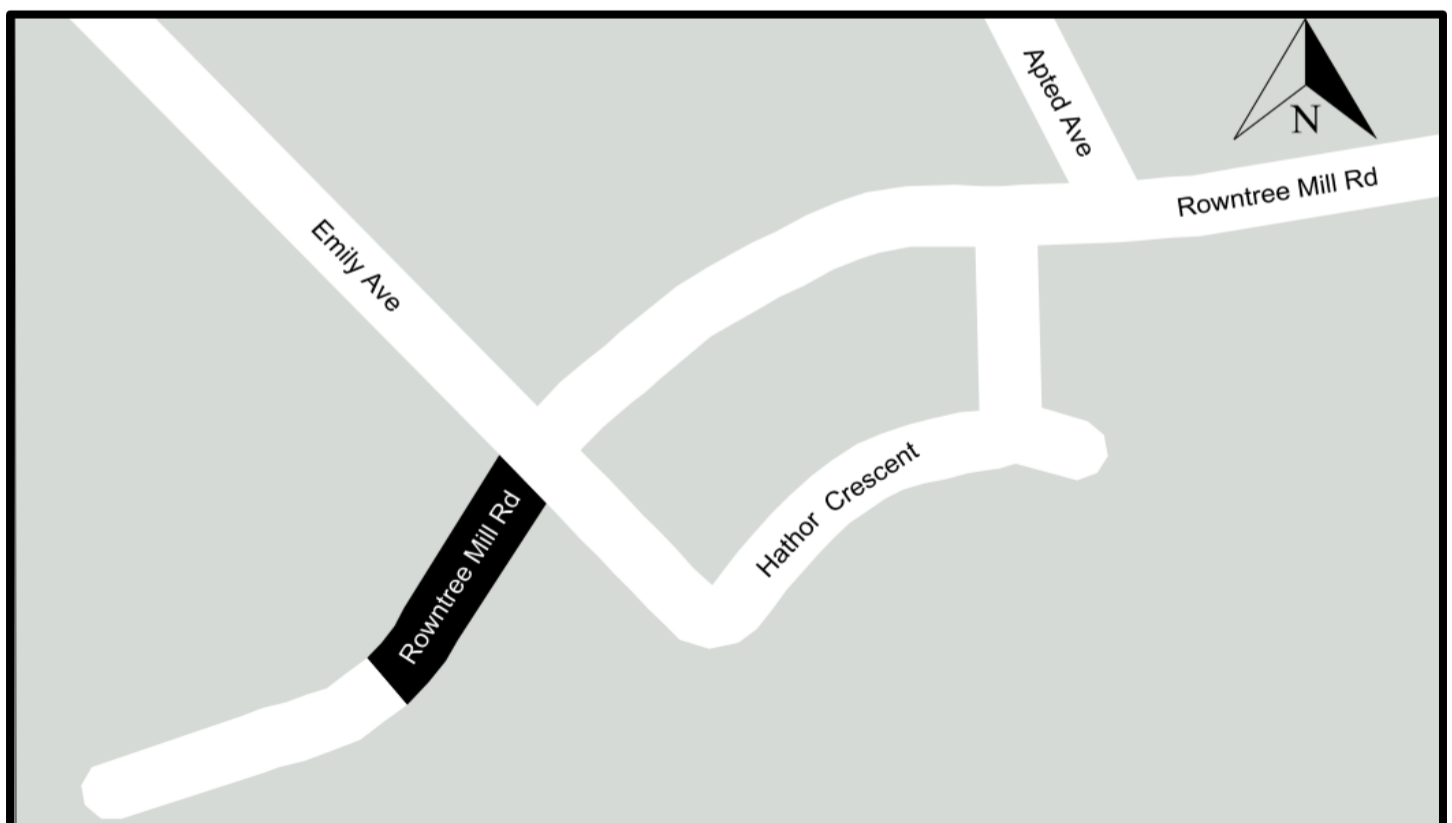

In fall 2020, the City's contractor:

- excavated the road and dug a trench to access and install the new watermain
- replaced any City-owned water service pipes that did not meet City standards from the watermain to the private property line

In spring 2021, the City's contractor will:

- provide slope stabilization with a retaining wall
- resurface the watermain trench
