

City of Toronto
Divisional Business Expenses
For the year ended on December 31, 2019

Division: Environment & Energy Division
--

Division Summary

Annual Budget (Gross): \$51.06 Million
No. of Employees: 103

Description:

The Environment & Energy Division (EED) is accountable for achieving City Council's strategic environmental sustainability and energy resilience objectives. In addition to greening the City's internal operations, we lead the development and implementation of innovative environmental and energy policies and programs, and inspire citizens, businesses, organizations and other stakeholders to work with City staff to make Toronto the most environmentally sustainable city in North America. We have also forged invaluable partnerships with the private sector, other levels of government and NGOs, who themselves are world leaders in their areas.
