The following items must be submitted with your application:

- Complete the Free-Floating Car-Share Parking Permit – Vehicle List, in MS Excel format, (linked on the website) with valid licence plates along with up-to-date Ontario validation sticker information (vehicle registration copies) for each requested car-share vehicle, to a maximum of 500 car-share vehicles per car-share company/organization. The vehicle list must be submitted in electronic format to permit.parking@toronto.ca.

Conditions of Permit

- Car-share companies must pay any outstanding vehicle fines or penalties before permits can be issued as part of the Free-Floating Car-Share Program.
- The free-floating parking permit shall be clearly displayed in the lower inside of the windshield on the driver's side of the car.
- Streets and areas that are at or above 100% capacity or more for residential permit parking must be excluded from the car-share company/organization's car-share service area via geo-fencing within the respective car-share company/organization's trip reservation system. A list of excluded streets/areas that are at or above 100% capacity or more for residential permit parking will be provided by the City at the beginning of the permit period and updated every 6-months.
- A car-share vehicle must not be parked in any one place for a period exceeding 72 hours.
- No clustering is permitted, where clustering is defined as more than two car-share vehicles from the same car-share company parked on the same City street block for any length of time. If this occurs:
 - A car-share company must move its car-share vehicle(s) within two (2) hours of becoming aware of its own vehicles clustering.
 - A car-share company must move its car-share vehicle(s) within two (2) hours of receipt of notification from the City or a resident.

Termination

- Transportation Services General Manager may terminate any free-floating car-share parking permit at any time if the permit holder fails to comply or ensure compliance with any of the conditions above.
 - Transportation Services General Manager may terminate the free-floating car-share parking program at any time.
-
