

**GET
TESTED
FOR
COVID-19
IF:**

- 1** You have ANY COVID-19 symptom, even if it's mild, including children.
- 2** You had close contact with someone who tested positive for COVID-19.
- 3** You were notified by the COVID Alert app.
- 4** Public health recommended you get tested.

Note: Testing does not replace the need to limit visits with others. Seek medical attention if you need urgent care.
