

**Municipal Licensing and Standards
Tow Truck Rate Schedule
Pursuant to City of Toronto Municipal Code, Chapter 545, Article VI**

| | |
|--------------------------------|--|
| Name of Licence Holder: | |
| Operating Name: | |
| Business Address: | |
| Tow Truck Plate No(s): | |

| | |
|--|---|
| <u>City of Toronto Municipal Code Regulated Rates:</u> | NOT TO EXCEED |
| Tow from Private Property Release on Scene Fee | Toronto Police Service Towing Contract Rates (based on district) |
| Accident Tow (Manufacturer's Gross Weight Vehicle Weight Rating (GVWR) of 3,175 k7,000 Pounds or Less) | 2021 Rate: \$261.38 + HST (subject to annual increase, in subsequent years, consistent with change in Consumer Price Index) |
| Recovery Services | \$100 + HST |
| Mileage for Travel Outside City Boundaries (more than 5 km) | \$3.25/km + HST |

Note:

- A copy of the schedule of rates filed must be kept in the truck and shown to the hirer on demand.
- Rates cannot be altered unless updated rates are filed with Municipal Licensing and Standards.
- The rates shall be based solely on time, distance and additional service.
- Where rates vary according to time of day or geographical zones, the basis for such variance shall be clearly set out in the filed rates.
- Rates filed must be clearly defined or they will not be accepted (must specify maximum charges).

Rates should be provided for vehicles over 3,175 kilograms (7,000 pounds), if not, under 3,175 kilogram (7,000 pound) rates will apply.
