Road Reconstruction on Linkwood Lane and Road Resurfacing on Spanbridge Road, Linkwood Lane, St. Dennis Drive and Wynford Drive

Contract: 20ECS-TI-07LR
Expected Start Date: April 2021
Expected End Date: Fall 2021
**Timeline is subject to change.*

The City of Toronto is planning to complete the following work in the summer:

Road reconstruction on:

- Linkwood Lane from Spanbridge Road to St. Dennis Drive;
- Wynford Drive ramp

Road resurfacing on:

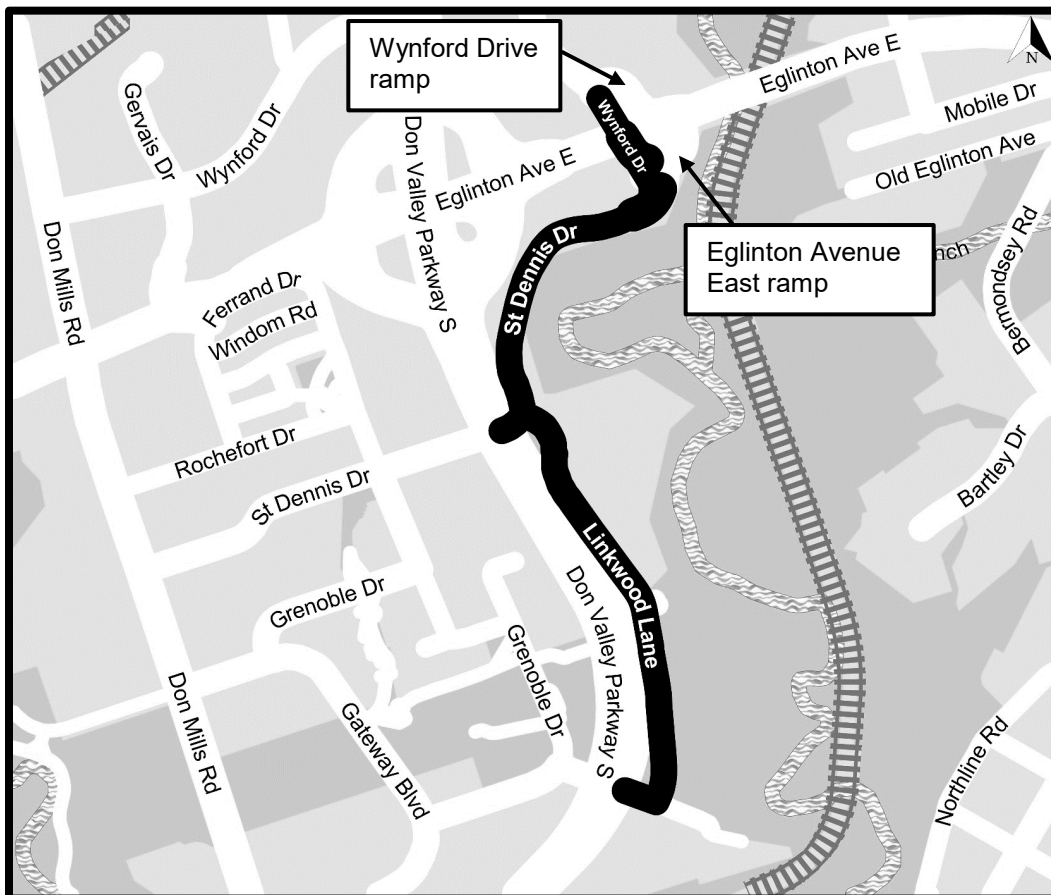

- St. Dennis Drive from Linkwood Lane to Wynford Drive
- Spanbridge Road from Linkwood Lane to 45 metres west from Linkwood lane
- Wynford Drive from St. Dennis Drive to 55 metres north of Eglinton Avenue East
- Eglinton Avenue East ramp

Our inspection of the roads show that they need reconstruction or resurfacing and sections of damaged curb and sidewalk need to be replaced to bring them to a state of good repair. This work is part of the Council-approved 2020 Capital Works Program to renew aging city roads and sidewalk for current and future needs.

IMPORTANT INFORMATION ABOUT COVID-19 AND CONSTRUCTION WORK IN TORONTO

During construction, the contractor is responsible for the Health & Safety on site under the Ontario Occupational Health and Safety Act and is expected to implement COVID-19 mitigation practices. For more information on the City's response to COVID-19 please visit toronto.ca/covid-19.

MAP OF WORK AREA

WHAT TO EXPECT BEFORE CONSTRUCTION

- Work crews will mark sidewalks and curbs requiring replacement and the locations of underground utilities, such as gas, water and cable so that the construction work does not interfere with these utilities.
- Affected properties will receive a Construction Notice approximately two weeks before work begins with more information about the work.
- The City will not be responsible for damage to any privately owned items on City property.

	Accessible Accommodation: Residents who require accommodation (level entry, longer notice, etc.) must contact the Project Manager to arrange for access during the construction period.
	Access to Your Home: The City-hired contractor may need access to the interior and exterior of your home to complete a pre-construction survey. Affected properties will receive a pre-construction survey request to schedule a time to complete the survey.
	Important information for owners of sprinkler systems / heated driveways and private landscaping features. Property owners should remove items located within City property limits (boulevard) to avoid damage. This includes items such as landscaping (plants and pavers), decorative objects, sprinkler systems or heated driveways. If you have a sprinkler system or heated driveway, please contact the Project Manager listed below.
