Thorncrest Village Neighborhood Improvements Update

Over the next couple of years, the City of Toronto will deliver a number of coordinated neighbourhood improvement projects in Thorncrest Village. The improvements include road resurfacing, watermain and sanitary sewer replacement and rehabilitation along with installation of green infrastructure at select locations. See back page for maps showing where the work will take place.

Join Councillor Stephen Holyday and City staff to learn more about the planned improvements and for an update on the status of the Basement Flooding Protection Program.

Based on the expert advice of our Medical Officer of Health to practice physical distancing, to help reduce the spread of COVID-19 and to protect the health and safety of Toronto residents and our staff, this consultation event will be conducted online, by phone and by mail only. At the virtual public meeting, staff will present the project and provide an opportunity to ask questions. A copy of the presentation will be available on the website.

Tuesday, March 30, 2021

Presentation followed by a Question & Answer period 7 p.m. to 8:30 p.m.

Join by computer, smart phone or tablet	Join by phone (audio only)
<p>Visit the project web page and register for the meeting: toronto.ca/thorncrestvillageimprovements</p> <p>You will receive an email with instruction on how to join the event via your device.</p> <p>If you do not register in advance, you can visit the project web page on the day of the event to find the login information.</p>	<p>View information material ahead of time on the project web page OR request material by email or mail</p> <p>5 minutes before the meeting starts, call +1-416-915-6530 and enter access code 133 785 7776.</p>
