### MAP OF WORK AREA

### WHAT TO EXPECT BEFORE CONSTRUCTION

- Work crews will mark the locations of underground utilities, such as gas, water and cable so that the construction work does not interfere with these utilities.
- Affected properties will receive a Construction Notice approximately two weeks before work begins with more information about the work.

	<p><b>Work Hours:</b> Work will take place from 7 a.m. to 11 p.m., Monday to Friday, and from 7 a.m. to 7 p.m. on weekends.</p> <p>Additionally, due to Metrolinx occupancy restrictions and daytime train schedule, there will be a period of approximately two months where the work will need to be completed overnight during Metrolinx's non-service window. Affected properties will receive a Construction Notice approximately two weeks before work begins with more information about the overnight work hours.</p>
	<p><b>Important information for owners of sprinkler systems / fences/ shrubs and private landscaping features within City property.</b> In order to complete work on this bridge, crew may need to remove encroachments of private items, such as fences and shrubs, within the public right-of-way.</p> <p>Affected properties will receive a separate letter from the Project Manager with more information.</p>
	<p><b>Accessible Accommodation:</b> Residents who require accommodation (level entry, longer notice, etc.) must contact the <b>Field Ambassador</b> to arrange for access during the construction period.</p>
