Contract: 20ECS-TI-02MR

Start/End Date: September 21, 2020/ June 2021

Winter Break: December 11, 2020 to April 2021

**Timeline is subject to change.*

In September 2020, the City started construction on the multi-use trail and boulevard as part of the road resurfacing project on Ellesmere Road.

As noted in the Construction Notice, the work will pause for the winter season. The remaining work will resume in spring 2021.

In order to make the site safe for the winter shutdown, the City’s contractor will fill open excavations as required, install temporary safety measures and temporarily restore affected driveways. Construction Update #2 will be provided before the work starts again in 2021.
