

SAFETY AT CONSTRUCTION SITES DURING COVID-19

Screen all staff, sub-contractors & visitors who enter the site.

Keep 2 metres/6 feet from other people, including during breaks.

Wear a mask & change it when dirty or wet. If you can't keep distance, wear eye protection.

Clean & disinfect shared tools & equipment between users & shifts.

Clean & disinfect washrooms & portable toilets at least twice daily.

Have handwashing or sanitizing stations readily available.
